## Gay 'killer's' parents 'just can't bear it'

THE elderly father of a man accused of being a gay serial killer has told how he and his wife cannot bear to hear the details of the alleged murders.

Stephen Port (above), 40, is accused of drugging and murdering four young men he met on gay websites.

Speaking from his home in Dagenham, east London, his father Albert, 73, said he took his son some money and books, including a magazine about space, to the police station on Sunday night but has not spoken to him since.

He told reporters: "We're trying not to think about it because of our ages. We just can't take it. The less we know the better. "The police haven't told us nothing because we're elderly."

Port, of Barking, east London, was charged on Monday with four counts of murder.

He is due to appear at the Old Bailey today.

## Clocks back, burglaries up

HOUSEHOLDS are being warned by an insurer to beware of a big spike in home burglaries as the clocks go back.

Co-operative Insurance said the number of home and motor insurance claims usually shoots up after the clocks go back by one hour and British summer time (BST) ends. The clocks will go back this Sunday.

Co-op director James Hillon said: "Darker nights lead to an increase in home burglaries, so when the clocks change this coming weekend we are urging people to be more vigilant."

# BECKY ACCUSED 'DESCRIBED HOW HE WOULD KILL HER'

BECKY Watts told a friend her stepbrother graphically described how he would kill her in the years leading up to her death, a court heard.

Nathan Matthews, 28, is accused of murdering the 16-year-old with his girlfriend Shauna Hoare, 21, in a sexually motivated kidnap plot in Bristol on February 19.

The couple allegedly dismembered Becky – Matthews' stepsister – into eight parts, which were discovered in a shed 80 metres from their home on March 3.

ACCUSED: Matthews

Bristol Crown Court heard Courtney Bicker, 17, one of Becky's best friends, gave an interview to police hours before the grim discovery was made.

"Becky's told me a few times, like this has happened a number of occasions, that Nathan would graphically describe – this is her exact words – how he would kill her," she said.

"And he said a few

things, like, in the past like a bit gruesome, like, not necessarily about killing someone but about like wounds and stuff.

"He'd describe it quite in detail but she mentioned it a few times, like it was troubling her the fact he said that and she did seem a bit scared of him."

### Threats

Ms Bicker said Becky first mentioned the threats in 2013, when they became close friends, and again in 2014.

Matthews had never made such threats in front of her, but Becky would tell her about them.

"I've heard him saying things like, little jokey comments like about hammers and stuff, like

jokey stuff like that," she added.

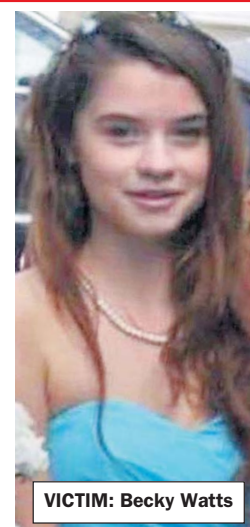

"She mentioned it a few times meaning that she felt he was serious, like she said that I think it scared her."

Ms Bicker said Matthews had told Becky how he would kill her but she never found out what method he would use.

"I think he said multiple different things because she brought it up quite a few times and it's like she said, 'he keeps graphically describing how he's going to kill me'."

Matthews, of Warmley, South Gloucestershire, denies murder and conspiracy to kidnap.

He admits killing Becky, perverting the course of justice, preventing the

burial of a corpse and possessing a prohibited weapon.

Hoare, of Bristol, denies murder, conspiracy to kidnap, perverting the course of justice, preventing burial of a corpse and possessing a prohibited weapon.

# CLIFFORD DENIES NEW SEX CHARGE

VIDEO LINK: Clifford

**FORMER celeb publicist Max Clifford has denied indecently assaulting a teen girl at his Mayfair offices in the 1980s.**

He is accused of assaulting the 17-year-old between October 1981 and May 1982 at his offices in New Bond Street.

Clifford, 72, pleaded not guilty to the charge when he appeared at Southwark Crown Court.

Dressed in a striped white shirt with a dark jacket, he appeared at the central London court via video link.

He replied, "I am" when asked to confirm his name and

answered "not guilty" in a clear voice when entering his plea.

Counsel and the judge were asked to speak up after Clifford repeatedly interrupted to say: "I can't hear, I can't hear."

Some of the biggest names in show business, including pop mogul Simon Cowell, late reality TV star Jade

Goody and boxer Muhammad Ali, were represented by Clifford during his career, which spanned more than 40 years.

### Infamous

He became famous for brokering kiss-and-tell deals with tabloid newspapers, including one which led to the infamous headline in *The Sun* which read "Freddie Starr Ate My Hamster".

Clifford is charged under Operation Yewtree, the Met

Police investigation set up in the wake of the Jimmy Savile scandal.

His trial, which is expected to last four weeks, will start on June 13 next year.

It was previously due to take place in February but was adjourned after an application from Clifford's defence team.

Clifford, of Hersham, Surrey, will next appear in court on March 17 for a legal argument hearing.

## Steel crisis grows as Tata axes 1,200 jobs

FEARS about fresh job losses in the steel industry have been confirmed after Tata announced plans to cut 1,200 posts.

Around 900 jobs will be cut from the firm's giant plant in Scunthorpe.

Another 270 jobs will go in Scotland and a small number in other sites.

Tata said the cuts were in response to a shift in market conditions caused by a "flood" of cheap imports, particularly from China, a strong pound and high electricity prices.

The latest bad news follows the announcement that the Thai owners of the Redcar steelworks on Teesside, SSI, had gone into liquidation with the loss of 2,200 jobs.

Then Caparo went into administration. Karl Koehler, chief executive of Tata Steel's European operations, said: "I realise how distressing this news will be for all those affected."

"We have looked at all other options before proposing these changes."

"We will work closely with affected employees and their trade union representatives. We will look to redeploy employees, wherever possible, and minimise employee hardship."

"The UK steel industry is struggling for survival in the face of extremely challenging market conditions."

## First cancer from nuke leak

A MAN in his 40s who worked at the Fukushima nuclear plant after the 2011 disaster is the first person confirmed to have developed cancer from radiation exposure.

The Health and Labour Ministry in Japan said he has received government approval for compensation for the radiation-induced illness.

It said he helped install covers on damaged reactors at the plant from October 2012 to December 2013.

He did not work at Fukushima in the weeks after the massive earthquake and tsunami destroyed the plant in March 2011.

# HELLO, ME OLD CHINA!

THE Chinese President yesterday met with Prince Charles and Camilla, ahead of the ceremonial welcome on Horse Guards Parade in central London.

Xi Jinping (left) and his wife Madame Peng Liyuan were greeted by the Prince of Wales on behalf of the Queen in the Mandarin Oriental Hotel.

It was seen as a diplomatically sensitive occasion – Charles hasn't

had an easy relationship with Chinese leaders in the past.

Although a TV camera and a photographer captured part of the encounter between the future king and the Communist leader, no UK reporters were invited to witness the occasion.

Charles was seen smiling as he shook hands with Mr Xi and the pair were also shown sitting and chatting on a sofa, as

Charles spoke through an interpreter.

It was the start of a day of engagements for Charles and Mr Xi – minus the showcase state banquet last night.

Charles was focusing on one-to-one talks with Mr Xi instead.

He escorted the president by car to Horse Guards for the pomp and pageantry of the official welcome by the Queen.

## Monica: Sex kept me fit for Bond role

BOND babe Monica Bellucci says SEX is what keeps her in such great shape.

At 51-years-old, the brunette star of latest 007 caper *Spectre* is the oldest Bond girl ever, and in the past, the mother-of-two (*above*) has spoken about how her looks have denied her from serious roles.

But now she says she is more confident than ever to flaunt her sex appeal and revealed that it's the finer things in life that make her the perfect match for 007.

The Italian stunna said: "I'm not someone who wakes up at 6am to go to the gym. The truth is, I like cakes and pasta, the odd glass of wine and occasional cigarette."

"My advice to looking good is: eat well, drink well, have good sex – and laugh a lot."

Monica will star alongside Daniel Craig as mob widow Lucia Sciarra in *Spectre*, which is set for UK release on October 26.

## Naomie's boobs on the Money

STUNNING Naomie Harris never thought she'd make it as Miss Money – because her boobs are too small!

The pert-breasted Bond beauty, 39, said she only auditioned for a laugh and was amazed when bosses handed her the role.

But Naomie, who plays the MI6 agent in the latest 007 movie *Spectre*, has been a huge hit since her first appearance alongside Daniel Craig in *Skyfall*.

She told Radio Times: "I never thought I'd get it. Bond girls have always been in their 20s, so I thought I was too old. And I didn't think I had the right ... assets!"

Fellow Bond girl Lea Seydoux, who plays Madeleine Swann in the latest flick, out on Friday, also admitted worrying about starring in the film.

The 30-year-old said: "It was scary, I thought, 'Will people believe the love story?' But it was much easier than I thought and Daniel was so good with me."

## Halle hubby sued for \$5m over 'shove'

AN airport employee who claims he was pushed to the ground by Hollywood star Halle Berry's husband is suing for \$5m compo.

Ronaldo Owens was at work at Los Angeles' LAX when Olivier Martinez, who'd flown in from Paris with Berry (above) and their two kids, allegedly used a baby's car seat to shove him out of the way, making him fall.

Reports claim Owens filed a lawsuit alleging he was attacked for no reason.

The scuffle was caught on video and showed Martinez, 49, walking in front of Berry. As they near the glass exit doors, they are swarmed by photographers.

Owens is filmed standing to one side and holding up what looks like a digital camera before the Frenchman appears to lunge at him with the empty baby's car seat that he had been using as a barricade between himself and the media.

Owens is seen lying on the ground as the *Monster's Ball* Oscar winner is ushered on her way by bodyguards.

## Tube workers vote to strike

WORKERS on one of London Underground's busiest lines have voted to strike in a dispute over industrial relations.

Members of the Rail, Maritime and Transport union on the Tube's Piccadilly Line, which serves Heathrow airport, backed walkouts by 70 per cent.

The union said there had been a "comprehensive breakdown" of industrial relations.

Its general secretary Mick Cash said: "The abuse of procedures and agreements by management on the Piccadilly Line is rife and amounts to the development of a campaign of bullying, harassment and intimidation that the union will not allow to continue."

London Underground's operation director Pat Hansberry said: "This vote for strike action is completely unnecessary."

# CAGED: Bodybuilder who battered sex-swap hooker lover to death

VICTIM: Post-op escort Santillan

A JEALOUS bodybuilder who strangled and battered his transgender escort wife to death after walking in on her having sex with a client has been jailed for 14-and-a-half years.

Joaquin Gomez-Hernandez, 24, burst into tears after seeing 33-year-old Vanessa Santillan with the male stranger in their marital bed.

He told his partner: "It's like you don't take me seriously," before storming out of the flat – only to return to brutally beat her about the head.

Gomez-Hernandez then used Ms Santillan's cash to splash out £400 on two prostitutes at a nearby brothel.

He later pretended to discover the half-naked body of his wife on the floor of the lounge and called an ambulance.

The killer told police he left his wife in bed at the flat in Fulham, west London, and suggested she'd been murdered by a client, but jurors at the Old Bailey unanimously

convicted him of murder.

The court had heard Gomez-Hernandez had met and married his wife in his native Mexico.

Ms Santillan was described as a post-op transgender who worked as a female escort.

On the evening of March 27 this year the couple went out with a gay man dressed as a woman and two transgender females. They returned to Ms Santillan's flat at in the early hours to continue drinking.

At around 5am the victim was contacted by a male client via the backpage.com website.

He arrived at around 6am and went to the bedroom with her while her friends and husband remained in the lounge.

The jury was told: "While

engaged in sexual activity the defendant came into the room and was glaring at them.

"The deceased said or looked as if to say 'Not now'. Gomez-Hernandez then left the room but appeared to become 'more serious'.

He left the flat at around 7am to continue drinking with friends.

The prosecution said that Ms Santillan was murdered some time before 2.52pm on March 28 when Gomez-Hernandez was caught on CCTV walking away from the flat. He visited a brothel at 4.45pm and had sex with two escorts.

Ms Santillan was later found lying half-naked on the floor in the lounge next to a used condom.

Gomez-Hernandez had denied murder.

# THE BUS STOP SEX BEAST

## Immigrant beat and raped woman

MONSTER: Turtak was traced through his DNA

A SLOVAKIAN man who raped a vulnerable woman after dragging her from a bus stop and hitting her repeatedly with a stone has been jailed for 14 years.

Zdenko Turtak, 22, left the 18-year-old woman with severe injuries after she was dragged behind a hedge and battered 18 times with the rock.

A court heard that Turtak grabbed the woman, who was just 5ft tall, slim and wearing traditional Muslim dress, as she waited for a bus in the Beeston area of Leeds.

He carried her into a garden, where he beat her with a stone he had in his pocket and then raped her.

The attack was caught by a CCTV camera and footage was also found of Turtak following other women in Leeds in the hours leading up to this offence.

Turtak, from Velka Ida,

By AMY MURPHY

Kosice, Slovakia, fled to his native country as a huge search was launched by West Yorkshire Police.

He was traced after a DNA match and extradited back to the UK.

Turtak, admitted rape and grievous bodily harm with intent earlier this year but denied attempted murder.

### Brute

At Leeds Crown Court the judge said: "You seized her and by sheer brute force overwhelmed her and bundled her into the small garden. There was a high hedge between that garden and the footpath.

"Although she struggled, she had no chance of resisting you. Continuing your attack, you pushed her face down to the ground and held her down.

"With her face pressed against the ground she was

unable to scream or raise any alarm. She tried to struggle free. In order to quell her, you took a large stone from your pocket. You then struck her 18 times about her head with ferocious blows."

The judge said the attack would affect the victim for the rest of her life, adding: "The effect has been profound, and that effect is likely to remain."

"She believes it will affect her whole life, including her prospects of marriage. In those short eight minutes you destroyed her young life."

He said Turtak was a "dangerous" offender as he imposed an extended sentence of 20 years, with a custodial sentence of 14 years and an extension period of six years.

Turtak will have to serve at least two-thirds of the custodial sentence before being considered for release.

As Turtak was led from the dock, members of the victim's family shouted "monster" and "rapist".

## Dad-eating killer's sis walks free

A WOMAN accused of helping her stepbrother and alleged lover murder, have sex with and then partially eat their parents has been released.

Karen Klein, 22, was set free after her lawyers argued she had acted under pressure from co-accused (*with her, above*), Leandro Yamil Acosta, 25.

They said she had helped him clear up after he shot his stepdad in the head, then killed his mother when she returned a few hours later from taking his twin stepbrothers to school.

He admitted to the killings and also said that he had eaten part of his dad's flesh and had sex with the bodies. He then cut up the remains and burnt them before feeding what was left to the family's six dogs.

Frightened Klein said she was asleep at the family home in the city of Pilar, Argentina, when the murders took place and had only agreed to help clear up because she felt that if she did not, he might kill her too.

The court in Buenos Aires accepted that there was not enough evidence to charge her with the murders.

## Airstrikes kill 45 in Syria

RUSSIAN airstrikes have killed dozens of people in a Syrian coastal province, including a rebel commander who formerly served in President Bashar Assad's army.

Activists said the airstrikes, which began on Monday afternoon and lasted several hours, also wounded scores, making it one of the deadliest incidents since Russia began its aerial attacks nearly three weeks ago.

Since the airstrikes began, Syrian troops and allies from Lebanon's Hezbollah militant group have launched ground offensives in northern, central and southern Syria as well as in the suburbs of the capital, Damascus, capturing areas formerly held by insurgents.

Rami Abdurrahman, from the Britain-based Syrian Observatory for Human Rights, said at least 45 people were killed in the rebel-held Jabal al-Akrad region in Latakia province.

# PIST-OFF LESBOS PUT HIT ON OSCAR

## Fury at early release

AN extremist lesbian feminist group has pledged to bump off disgraced Paralympian sprinter Oscar Pistorius – now that the convicted killer has been released early and put under house arrest.

The former sporting hero, known as the Blade Runner, was jailed for five years in October last year for the killing of girlfriend Reeva Steenkamp. He had shot her at the home they shared on Valentine's Day 2013, saying he had mistaken her for an intruder.

Pistorius is now under house arrest at his uncle Arnold's luxury home in an upmarket suburb of Pretoria.

"Oscar is here, and Oscar is at home with the family," spokeswoman Anneliese Burgess said. "The family is happy that Oscar is at home."

But there has been criticism of the move and the leniency with which Pistorius has been treated.

Now a bounty of £25,000 has been put up by the ultra-violent lesbian anarchist group Women Against Men, which boasts a global membership.

It has said it will mete out its own brand of justice if this proves to be the first step in releasing Pistorius fully before he has served his full sentence.

A spokesperson for the group, which claims to be responsible for a string of attacks on male sex attackers and killers of female victims who are released from prison, said: "Pistorius will pay for what he did."

"We will see to that. Our brand of justice

By COLIN HURST  
news@sundaysport.co.uk

does not tolerate murdering women.

"It seems the justice system does not put much value on our sister Reeva's life. It is worth just a year in prison because the man who killed her is a famous sporting hero."

"Well, we will see her life is given its true value. A life for a life – that is how we will get vengeance for Reeva."

"Pistorius must pay the full price – just as Reeva had to at his hands."

## Threats

A Johannesburg police spokesman said: "We will not tolerate individuals or groups taking the law into their own hands. We will be investigating these threats and will come down heavily on the people who are making them."

"Oscar Pistorius has been through the justice system and is serving out his sentence as dictated by the courts. That is the right way."

A South Africa prisons service spokesman said: "Oscar Pistorius has not been released from prison, he has been moved to house arrest – which means he is still serving his sentence under lock and key."

# 50 Shades bondage GP 'whipped her lover so hard he called 999'

By ANN COATES

news@sundaysport.co.uk

**A RICH businessman says he is a "laughing stock" after his doctor lover was cleared of assault following a 50 Shades sex game that left him in such agony he rang 999.**

GP Elvira Blakemore, 41, and multi-millionaire James Austin's whipping session ended in an ugly courtroom showdown amid allegations of a brutal caning.

The 57-year-old said he was forced to dial 999 after the petite doctor left him covered in dozens of bleeding welts.

He claimed she hit him so hard with a bamboo cane it snapped, but Dr Blakemore said the caning was consensual and that Mr Austin was telling her, 'Go on baby'.

Croydon Crown Court heard the couple met via an internet dating site and Dr Blakemore soon moved into his £3.6m mansion in Locksbottom, Kent.

They also began to experiment sexually after 5ft 5in Dr Blakemore is said to have shown an interest in erotic novel *Fifty Shades Of Grey*.

Mr Austin said the couple kept a cane in their bedroom after he joked of their mutual enjoyment of spanking.

He said the couple went to Ann Summers and bought certain items, including a spanking paddle. The

## ...BUT SHE IS CLEARED OF SEX ROMP ASSAULT

court heard that Mr Austin signed a gift, 'Personal spanker' to naughty Dr Elvira'.

Their relationship, however, was said in court to have been tempestuous. After a party Mr Austin claimed Dr Blakemore hit him with a cane after he passed out naked and drunk on their bed.

He claimed: "I went to bed and was more or less asleep when she entered the room raging and started hitting me with a garden cane. She was violently hitting me many times on the back."

"There was a further attack in the lounge. When the cane broke she poured some wine on my back and said: 'Alcohol is good for the wounds'."

The court heard Mr Austin dialled 999 after he was hit between 25 and 35 times. When paramedics arrived they said he should go to hospital for treatment.

A police officer noted: "Mr Austin said: 'I asked her to stop, but she didn't'."

But Dr Blakemore, told officers he was lying when she was arrested, telling the court: "He told me to get on with it and I came in and caned him."

A jury took just 15 minutes to clear her. Mr Austin said after the verdict: "I assume I'm the laughing stock. I don't feel I can look anyone straight in the face again."

The couple have now split up.

**STRAIGHT TALKING**

**FROM UKIP'S DEPUTY LEADER**

## Education by ability...not wealth

ON a recent trip to Istanbul calamitous German Chancellor Angela Merkel held out the prospect of Turkey's application to join the European Union being fast tracked.

Not content with telling everyone in Syria they can claim asylum in Germany and encouraging more people from the Middle East to make their way to Europe, she now wants the Turks to join the club.

Less than 10 percent of Turkey is actually in Europe – the rest falls into Asia.

It is also an extremely poor country with the average wage less than the equivalent of 400 euros a month.

And its population of 70 million is made up of around 95% muslims – so it's not even culturally European.

It also borders with nice safe places like Iran, Iraq and Syria. You know, those countries which want to blow us off the face of the planet.

So well done, Frau Merkel. In your stupidity, I reckon you've just helped push the UK nearer to the Exit door.

**LAST week the Education Secretary Nicky Morgan announced she will allow Weald of Kent Girls' Grammar in Tonbridge to build a new 'satellite' school in Sevenoaks, some nine miles away.**

Sounds all very sensible and uncontroversial to me.

However, you'd think from the reaction of some in Westminster that Morgan had announced we had decided to send ground troops to Syria or pardon Jihadi John.

Unsurprisingly, this is Labour – the party that hates social mobility – that has come out swinging the most and accused the Education Secretary of subverting the law.

Labour's beef is that they claim it breaks the 1998 Education Act which bans the setting up of new grammar schools.

But to be frank, it's a bad law passed in the bad Blair years and it should be ripped up anyway.

Morgan, however, has been forced to concede that this is merely an 'annex' to an existing grammar school and that this is an exception rather than a rule.

But she is weak and wrong to be so defensive.

Grammar schools were the greatest vehicle of social mobility that this country has ever seen.

They allowed poor kids the opportunity to break out of their communities and achieve things

they could only have dreamt of in the past.

When we had grammar schools, we had more working class kids at Oxbridge than any time before – or since.

Now, the top seven public schools send more students to those illustrious universities than the bottom two thousand state schools put together.

And as a result of their closure we have a society which is dominated by the rich in a way that we haven't seen since the turn of the last century.

### Elitist

The judiciary, journalism, the City and politics are now disproportionately dominated by former public school pupils.

It always gets my back up when I hear someone who was privileged enough to go to public school telling people that grammar schools are "elitist". You hear it all the time.

But there are only two reasons for opposing the creation of new grammar schools.

One is that you want to keep working-class people trapped – so they continue to vote for

your party.

This is of course what the Labour Party wants and why they oppose grammars. It is I suspect one of the spiteful reasons they passed the stupid 1998 act in the first place.

The second thing is that you want to maintain the status quo and make sure that the people who have always been at the top stay at the top.

This is why many in the Tories and the Establishment don't want to see a return to grammar schools.

Well, stuff them both.

I want to see a society where clever working class kids have the same opportunities as those born into the middle class.

I want to see a country where we have education based on ability and not wealth.

And I want to see a political class that is made up of people who are representative of the public at large and not the seven percent who were lucky enough to go to a public school.

If we want to see a country which is truly based on merit and not class and wealth, then let's put a grammar school in every town.

## Justin Dunn's Room 101

**WHAT'S ANNOYING HIM THIS WEEK?**

### Sticks and stones may break my bones...

REMEMBER where you were this day – the day the world finally disappeared up its own fundament.

The thought police have finally found the straw to break the camel's back by insisting on taking their nanny state into the school playground.

Now, they want to ban 'names'.

On the face of it, the desire to ban name-calling certainly does have some merit.

No-one likes a bully, and getting called something you'd prefer not to be – I endured a primary school of 'Dumbo' thanks to my ridiculous lugs – can be quite unpleasant.

But you can't change people. You can't change human behaviour.

And as the world where the grown-ups live can be a pretty unforgiving place at the best of times, surely the best way to prepare our future adults for it is to expose them to some of its rough and tumble.

In those 'Dumbo' years, the schoolyard scandal of the day was the banning of a game called 'British bulldog'.

From memory it involved a load of kids running from one end of the playground to the other while trying to dodge would-be captors in the middle.

Sometimes, if they caught you, you'd go flying and scrape a knee. So in came the nannies

to ban what was by and large a fitness-inducing pastime.

Banning running games was as daft as banning name-calling.

Sure, keep an eye on it, don't let things get out of hand. But for Christ sakes, let the poor bloody kids be kids!

● IT can't be much fun working in a steel mill right now – where jobs are

● **AMONG the new names we're going to be calling future storms are Barney, Wendy, Desmond, Nigel, Steve and Tegan. Perish the thought, but imagine meeting your maker at the hands of Hurricane Nigel?**

disappearing from the industry faster than sunny days.

The latest to fall victim are 1,200 Tata Steel workers, who learned on Tuesday that their posts were being axed at plants in Scunthorpe and Lanarkshire.

Firms blame this on high electricity prices in the UK for such energy-intensive businesses, compounded by the extra cost of climate change policies.

The government's policies to compensate steel firms for such extra costs have been coming in too slowly, they say.

There are also allegations the Chinese steel industry has been selling steel in the UK at unrealistically low prices – effectively "dumping" cheap steel on our market.

And the EU is unusually strict about state aid to iron and steel companies. Always there to help, that lot...

**RIGHT UP HER STREET:** Star wants to follow ex colleagues

## Corrie Brooke eyes I'm A Celeb

**SOAP 'lesbian' Brooke Vincent has revealed she would love to appear on I'm A Celebrity... Get Me Out Of Here!**

By **JESS GALLEY**

jess@sundaysport.co.uk

The brunette scorcher revealed she would love to swap the cobbles of *Coronation Street* for a stint in the Australian jungle.

Brooke, 23, seemed to be hinting for an invitation to take part in the next *I'm a Celeb...* on ITV – which ex colleague Helen Flanagan appeared on back in 2012.

But with the 15th series of the popular reality show set to kick off next month, it looks like the Manchester beauty might have to wait until at least next year.

She said: "I think I'd do OK in the jungle!"

And she also admitted she would love to follow in former *Corrie* co-star Georgia May Foote's footsteps and do *Strictly Come Dancing* on BBC1.

Brooke said: "I would really like to do *Strictly* because it's dancey and I really like dancing."

The young actress first appeared on our screens as Sophie Webster back in 2004.

She has been involved in several major storylines, including her character coming out as a gay.

## Kayak victim on beach is named

A KAYAKER whose body was identified more than a month after it was found on an Isle of Wight beach has been named.

The dead man has been identified as Morgan Savage, 40, from Dublin.

His body was found on Yaverland beach on September 11 but his identity had baffled Hampshire Police – although the force said earlier his next-of-kin had finally been located and informed of his death.

Mr Savage was last seen at Brighton Canoes, in Newhaven, East Sussex, at 4pm on September 8.

The kayak was a yellow and black "blow up" Sevytor Conrad.

A Hampshire Police spokesperson said: "A post-mortem, which was carried out on September 24, was inconclusive. The coroner is awaiting histology results."

The gorgeous model, from Brighton, admitted she can't get enough of anal sex and confessed the taboo act really turns her on because it feels naughty and sexy.

And the 32E scorcher revealed it really gets her going when her lover describes what dirty things he's going to do to her, before taking her up the back passage.

Holly, 28, said: "With anal sex the trick is to take everything very, very, very slowly."

"I like it when the man takes charge and

"And the foreplay is really important – kissing, stroking my breasts and rubbing my clit. It's best to start off by having vaginal sex.

"Then I like the man to tell me what he's going to do next – starting with putting a finger in my arse, and then another.

"The most important thing is to start slowly and slide in a little at a time – and use plenty of lube!"

# TO CELEBRATE WHEN MARTY

# BACK TO THE FUTURE

By JACK MOTTERSHEAD jack@sundaysport.co.uk

## GREAT Scott, the future has finally arrived!

Today's date will forever be burned into Hollywood history as the day that Doc Brown and Marty McFly travelled *Back To The Future* in the classic 1989 sequel.

The Doc, played by Christopher Lloyd, set the date in his rubbish-guzzling time machine, a DeLorean DMC-12, as they were whisked to this very week.

And while hoverboards didn't catch on so well and Jaws 19 never made it to the big screen, the boobs that helped sculpt one of the 80s' favourite trilogies have returned to celebrate its success.

### Flesh

McFly's on-screen girlfriend Elisabeth Shue showed us exactly why Marty had the hots for her when she flashed the flesh as the star of the 1999 flick *Molly*.

Lea Thompson who played the movie MILF Lorraine McFly was already busy back in 1983 with Tom Cruise when she starred as his girlfriend in the sporting drama *All The Right Moves*.

And while their roles may not have been the biggest, Biff Tannen's Jacuzzi girls were still the stars of the show when they flashed their ample assets in other movies.

Tamara Carrera got them out in the appropriately titled *Babewatch*, whilst Tracy Dali flashed her pert pair in the 1998 film *Virtual Girl*.

## Horror legend Jamie hates scary movies

**HORROR** babe Jamie Lee Curtis has revealed she hates scary movies – despite making her name in the classic *Halloween* flick.

The 56-year-old (above) also appeared in slasher flicks *The Fog* and *Prom Night* but has admitted they're not her cup of tea.

She said: "I have great respect for horror films even though I don't personally like them."

"I scare very easily, and there's nothing about that feeling that I like."

"It's not something I'd pay money for at the cinema."

But Jamie – who is starring in E4's new comedy *Scream Queens* – admitted she owes her success to her role in the 1978 horror blockbuster.

She said: "I wouldn't be here now without *Halloween*. I owe everything to director John Carpenter, who somehow saw something in me."

# Towie Kate's sexiest selfies!

By JESS GALLEY  
jess@sundaysport.co.uk

**GORGEOUS** Kate Wright loves flaunting her scorching figure on social media.

The 24-year-old Essex stunna is no stranger to snapping a selfie and regularly posts shots of her top rack on Instagram.

And it's easy to see which angle is her best as the steamy shots all feature Kate's eye-popping bangers.

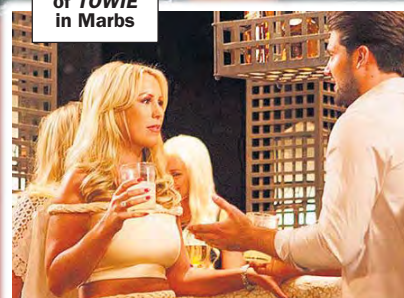

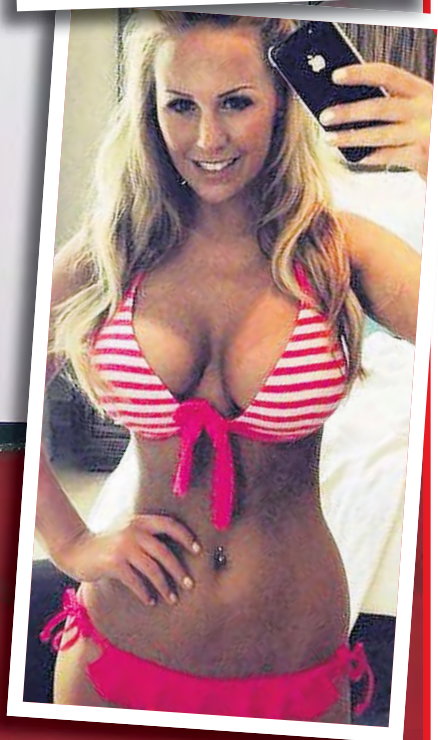

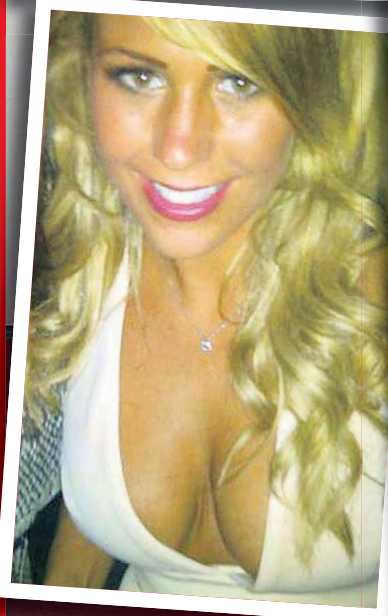

## Shock

Kate is the newest addition to ITV Be show *The Only Way Is Essex* and gave her ex Dan Edgar a shock when she turned up to join the gang in Marbella.

And the bank worker wasted no time in showing off her whopping sweater-stretchers when she made her reality TV debut in a jaw-dropping white bikini.

So in honour of Kate's impressive knockers, *Midweek Sport* has pulled together the blonde beauty's hottest selfies...

## Orgies? Topless babes? Sorry, Playboy gaff is for old farts!

PLAYBOY bunny Carla Howe revealed the iconic mansion now resembles an OLD PEOPLE'S HOME.

The 22-year-old model lifted the lid on what it is really like to shack up in the legendary Los Angeles mansion with Hugh Hefner.

Carla, from Berkshire, said the party house is now more like an old folk's home and 89-year-old Hefner has to be accompanied everywhere by a dedicated team of nurses.

She said: "When you think of the Playboy mansion you think of a palace of excess, with orgies and topless girls."

"But it is nothing like that now. Hef is so frail that he goes everywhere with a group of nurses."

"And when there is a party, you'll be lucky to see him after 9pm."

The Brit stunner also revealed that the house is falling into disrepair and nothing has been replaced or modernised since the 1980s.

She added: "He refuses to change anything in the mansion – the whole place feels like it's stuck in the 1980s."

"Because nothing has been changed for so long, the rooms have a damp smell."

## Schoolboys rob and kill teacher, 52

THREE boys aged 11 to 13 have attacked and killed a teacher and robbed her of a mobile phone and cash.

The young lads were hanging around a school in the township of Lianqiao in the province of Hunan, southern China, when they decided to rob the only adult guarding the school, the state-run *Beijing News* said.

The boys – who are students at other schools – beat the 52-year-old woman with a wooden stick, stuffed her mouth with cloth and dragged her into a bathroom, where she died.

The attackers ran away with their victim's mobile phone and about 2,000 yuan in cash (£200) before they were arrested.

It was reported the three boys were all "left-behind" children – meaning their parents are migrant workers who go to more industrial Chinese cities for jobs, leaving their kids under the care of other adult relatives.

# Sex Pistol John 'drunk on Guinness AGED 3!'

**CHILD  
BOOZER:  
Lydon**

**FORMER Sex Pistol John Lydon has confessed that he got drunk on Guinness at the age of just THREE.**

The 59-year-old, also known as Johnny Rotten, said his earliest memory was drinking a glass of 'warm Guinness' in front of the fire with his dad, also called John.

He said: "My earliest memory, at three or four, is dad, by the fireplace, passing the poker and me getting it red hot in the flames, plunging it into a glass of Guinness, then sipping this lovely, warm, fizzy, brothy brew."

The singer – who appeared in *I'm A Celebrity* in 2004 – added: "I loved it. It's a typical Irish thing in winter and sets you up for perfect alcoholism in later years."

### Stuffed

He also revealed that he used to eat sandwiches filled with KiteKat CAT food.

He told *Observer Food Monthly* magazine: "Dad would get paid extra on building sites for making everyone's lunch."

"They didn't appreciate

his sandwiches, so he started putting cat food in them."

"I tasted them and they were delicious."

The star said he now loves eating lamb and beef hearts, adding: "One thing I know how to do, from my mum, is lambs' hearts and beef hearts, which I roast, stuffed with proper bread and sage and thyme."

"They are considered waste, hearts, but they are stunningly tasty."

**TEXT A RED HOT OLDER WOMAN TODAY! SHE'S SO UP FOR IT!**

**EXPERIENCE THIS!**

TAKE a look...take a long, lingering look at Alice, here. Alice is one of our older girls. We'd have loved to have shown you her face and told you a lot more about her but, well, Alice is a pillar of her local community and aside from that, her husband of 32 years would not approve of her swapping sexual texts with horny strangers half her age!

Anyway, have a good look at what you can see...pretty tidy for a woman in her sixth decade, eh?

OK, there's a few lines but her tits are still perky and her tummy flat. Alice looks after herself, regularly treating herself to expensive lingerie and ensuring that her grooming regime is from head to toe. She's favoured a Brazilian before it had a name!

So, why does she enjoy sexual text encounters with strangers like YOU? Well, says Alice, it's all about new experiences.

"When people meet me they

probably think I'm just some old, married fuddy duddy. They would never guess that when I was 19 I ran off with a biker gang and, ahem, once ENJOYED three of them at the same time," she laughed.

"I love my husband but I still like to share my experiences and experience some new ones so, come on you horny buggers, get texting me and give me something to finger myself about!"

Alice is typical of the women you'll text here. From yummy mummies in their early 40s to proper grey-haired grannies in their 70s, we've got the perfect oldie for you!

You can specify a type on your first text but remember to put the trigger word first. Or you can add your postcode and we'll put you in touch with someone local.

If you've never tried sex texting before, now's your chance...and you're guaranteed to get messages from a real older horny woman.

### WHY WE ASK FOR YOUR POSTCODE...

WE know that some of you guys are not bothered where a lady lives...as long as she is hot and horny and up for fun!

But many of you want to find a no-strings sex text partner who lives locally. By giving us the start of your postcode we can do this for you. We've got ladies from all over the UK so there's sure to be one living near you! You might have seen her down your street!

## Lamar & Khloe...a modern tragic love story

**KARD TIMES:** Lamar (left) is clearly pining for Khloe

**IT was really upsetting to read the reports about Khloe Kardashian's ex-husband Lamar Odom.**

It is so sad that he stooped so low, to the point where he checked into a place like the Love Ranch South, a brothel in Nevada.

I'm a huge fan of *Keeping Up With The Kardashians* and I always thought that it was clear on the show that he was still pining for Khloe.

The way he would turn up at clubs where she was making an appearance, or randomly bump into her, it seemed so obvious that he wanted to get back together with her.

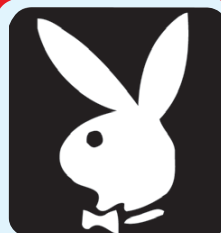

There has also been talk about whether Lamar will be charged because of the drugs he is thought to have taken, now that he is awake and responsive. But I think some of the blame has to fall on the Love Ranch too.

It is claimed the girls were feeding him

herbal viagra and other substances, so why shouldn't they be quizzed by cops?

At the end of the day, he got those drugs from somewhere, so I think that really it is only fair that the blame should be shared around.

He must have been in a really bad place in his life to do this – and I can't help but think that maybe it was a cry for help to Khloe – especially as it's been reported that he has told her he still loves her after he came out of the coma.

I CAN'T say I was all that shocked when I read the news that Playboy are going to stop printing nude photoshoots from next year.

Playboy magazine came about in a time when men were still secretly wanking over *Good Housekeeping* magazine, or slightly erotic lingerie snaps in fashion magazines.

Nowadays it is so easy to access explicit content online that it has lost its audience – why would men go out and pay for that magazine when they can see so much more for free?!

At the end of the day, everything gets outdated and has a shelf life – even something as modern as DVDs are already out of date because of online clip stores.

I think it was just a matter of time before they called it quits. It'll be interesting to see how long they last without that content, though.

It was what set them apart from other magazines – so what are they going to do now?

I'VE been a very lucky girl this week, as a lovely gentleman has offered to whisk me and gorgeous Lucy Zara away for a relaxing break in Dubai!

I mentioned in last week's column that I was in desperate need of a holiday and was thinking about going away with my beautiful friend Lucy. We tweeted that we needed some TLC and an amazing man who goes by 'Rich Guy UK' stepped forward as our knight in shining armour.

He has generously paid for flights for me and Lucy to Dubai next month and put us up in a swanky hotel room. So if you're reading this Sugar Daddy, a massive thank-you to you!

## Someone's taking the Pis over Oscar

IT'S an absolute JOKE that they have let Oscar Pistorius out of prison after serving less than a year in jail for killing Reeva Steenkamp.

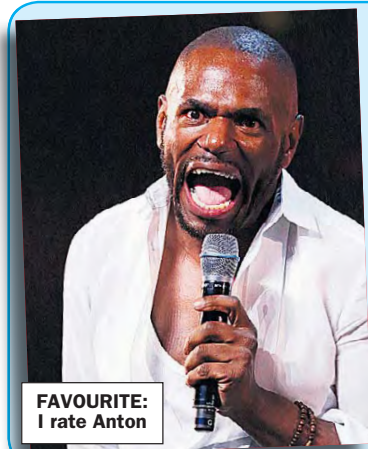

I know he's under house arrest, but it's not really a punishment for him to be locked away in a big mansion with all his home comforts around him. I think it's disgraceful and I feel for Reeva's family, but there is nothing more they can do.

Still, in prison or not, he will have to live with the guilt and memory of what he did for the rest of his life. Reeva's death will always be on his conscience and that in itself is a bit of a life sentence, if you ask me.

I'M feeling a little worse for wear writing this week's column as over the weekend, for the first time in a very long time, I went out and got pissed – I mean really, really drunk!

I went out clubbing with the girls and it felt great to be partying again. I danced so much that I felt like I'd broken my ankles when I woke up next morning. But it was so much fun getting dolled up and having a dance with the girls – I don't get to do it that often!

**FAVOURITE:** I rate Anton

I'M obsessed with this year's *X Factor* and loved this week's six-chair challenge with Simon.

So far, I have picked my favourite of the boys and girls categories, but I couldn't pick one overall favourite from the Over-25s.

I absolutely loved Anton and Jennifer! Both of their performances were amazing and I think they will do well in the competition.

I'm a sucker for people who really badly want it, and you can tell how much it means to them.

I couldn't believe Simon had the cheek to tweet that he thought he had made a mistake watching the show

back though... that must be awful for his final six to read. They are probably all wondering if they're the one he thinks is crap.

But that's why Simon is great – he pulls no punches. And it seems to me like he is hinting that he has his wild card picked out already.

I was also really upset to hear that Nick is bringing that asshole Mason Noise back for judge's houses after Tom dropped out of the show.

I just hope that if he gets through, the public remembers how arrogant he is and vote him out in the first show!

I'll still be watching though – I'm hooked!

## Bai Ling's Joker is smiles better!

**LOVELY** Bai Ling sure knows how to raise a smile from fellas.

The red-hot actress pays a scorching tribute to the late Heath Ledger as she steps out in skimpy Joker costume – complete with tasty heart-shaped nipple pasties.

It's hard to believe the actress is 49 years old, even made up as Batman's mad enemy in barely-there ensemble which showed off her pert knockers and toned abs.

Entourage star Bai posed as the comic book villain for these steamy photos during a night out on Hollywood Boulevard.

## What are the chances of that?

**YBF REPEAT SHOWS 'CILLA' IN POOL TRIP**

**SICK:** Harry Hill's gag about star 'Cilla'

ITV was forced to apologise yesterday after it broadcast an old episode of *You've Been Framed* containing a joke about Cilla Black hitting her head.

The 72-year-old entertainer died of a stroke after falling and banging her head at her Marbella home in August while sunbathing on her private terrace.

Furious fans complained to ITV calling them 'crass', 'sick' and 'insensitive' for allowing a joke about Cilla falling over to be shown.

*You've Been Framed* host Harry Hill made the joke about a red-haired woman falling in an episode made last year. The woman is seen crashing headlong into the side of the pool.

Harry Hill says in the voice over: "And here's Cilla Black's last show for ITV."

# BBC River babes topless!

**GHOSTLY:**  
Stellan  
Skarsgård  
plays the  
troubled  
detective

**LESLEY MANVILLE**

**THE newest crime drama to hit our screens is packed with topless babes.**

Six-parter *River* stars Stellan Skarsgård as the protagonist John River, a worn-out London detective who works too hard, lives alone and talks to himself. But what sets this show from apart is that River sees dead people – he is haunted by ghostly visions of people he has met in his grisly line of work.

## Chests

A girl whose death he is trying to solve chats to him in the bathroom. And his wife – whose murder he has recently witnessed – keeps up a running commentary at his shoulder. Though guided by these visions, he's still good at solving crimes, mainly because he lives the loss and pain of all the victims and offenders he comes across.

But it's not all doom and gloom, the drama also features a line-up full of familiar faces – and chests – who've flashed the flesh in previous TV shows.

Georgina Rich stars as police psychiatrist Rosa – a far cry from

the kinky actress she played in the 2005 movie *Kenneth Tynan: In praise of hardcore*.

Lesley Manville is River's boss, Ch Insp Chrissie Read – but here she is stripped off for the camera in the 1993 TV series *The Mushroom Picker*. And Siorcha Cusack plays Bridie Stevenson, who treated us to a glimpse of 'em in *Miscellaneous* earlier this year.

*River* is shown every Tuesday at 9pm on BBC One.

## School Miss strangled with her bra strap

A **TEACHER** was allegedly strangled to death with her bra strap by her estranged husband, a court heard.

Rukshana Miah, 35, a primary school Miss in Ashton-under-Lyne, Greater Manchester, died a week after being attacked by husband Abul Kashem Miah at her home in Stockport in August last year.

The attack came minutes after Mrs Miah – who was in the process of separating from her husband – threatened to make a false allegation of rape against the defendant.

The court heard how the mother-of-two had made the threat after the pair had sex, hoping it would make Miah give her back her wedding jewellery worth £20,000.

The jury was told how the 37-year-old then attacked his wife using a bra strap in a "sustained period of strangulation".

Miah, a former club doorman, also from Stockport, has pleaded guilty to manslaughter, claiming he lost self-control as he tried to stop her crying out.

He denies murder and the trial continues.

**GORGEOUS Jess Kingham revealed that she's a real high flyer – ever since she joined the Mile High Club.**

The busty blonde can't get enough al fresco action and admitted that the thought of a passing stranger catching a glimpse is a major turn-on for her.

And the 23-year-old scorching admitted that she isn't bothered who finds out so long as she keeps trying riskier and more adventurous locations.

While it's no surprise that the Surrey-born sizzler thinks her massive 32F boobs are her favourite part of her body, she reckons they are STILL growing.

Which is amazing, given that judging by these pictures it's hard to see how Jess could get any closer to perfection.

## Mel: new boobs are pair-fect!

SEXY telly presenter Melanie Sykes has boasted that her enhanced norks always look perfect.

The brunette, 45, revealed that despite her age, she feels sexier than ever – thanks to the boob job she had after the birth of her second son.

And the yummy mummy-of-two is keen to show off her pert pair to the world – and is never one to shy away from flashing the flesh after getting NAKED for her latest calendar.

Mel said: “My boobs aren’t real – but I don’t care because they always look perfect! “They’re good and I know it. I’d always known I’d get them done at some point.”

And while many hide away from milestones, Melanie celebrated her 45th birthday by stripping down to next-to-nothing to flaunt her ample assets in a sexy shoot.

But the *Humble Pie* presenter proved she has a great heart to match her boobs as the saucy snaps from her official 2016 calendar will help towards raising money for children with autism.

But the reality babe seems to have moved on quickly from her recent heartbreak and she admitted she WON'T be rushing into the arms of another man too soon, as she wants to enjoy single life.

**TOWIE Lauren:**  
Jake's out and  
we don't speak

REALITY babe Lauren Goodger revealed she is back on the market.

The former *TOWIE* star has split from her beau Jake McLean after the pair decided to give their relationship a second try earlier this year.

The 29-year-old Essex girl revealed that she isn't speaking to convicted criminal Jake, 26, who has even moved out of her Brentwood home.

The shocking news comes just months after Lauren – who has Jake's name tattooed on her wrist – and Jake spoke about their desire to start a family together.

Lauren said: "Me and Jake aren't talking at the moment and haven't done for about a week."

"He's currently not staying with me and I am focusing on my training, my career and myself."

"Sometimes you just need five minutes out – and I'm so busy right now that I haven't had a minute to stop and give our situation any proper thought."

**Fact me!**

IF a female ferret in heat does not have sex, she will die.

**'Zombie' on fence**  
was dead woman

A DEAD body was left hanging from a fence after it was mistaken for a gruesome HALLOWEEN decoration.

The body of Rebecca Cade was discovered by a dog walker who thought it was a zombie prop attached to the railing – before realising it was a dead woman.

Rebecca, 31, had been beaten before she tried to flee her attacker by scaling the fence.

But her shirt sleeve got caught, leaving her suspended on the fence in Chillicothe, Ohio.

A coroner confirmed that the young mum died as a result of blunt force trauma after being beaten in the face and head, with neighbours describing her face as 'unrecognisable'.

A 27-year-old man has been arrested and charged with murder. He is on suicide watch in the Ross County jail.

## MOCK FUNERAL FOR PAL WHO NOW SPENDS ALL TIME WITH GIRLFRIEND

**Warning:**

**hazard!**

SEXY Laura Carter revealed her BOOBS are a hazard – because men can't stop staring at them!

The *Young, Free and Single* star said her best assets had caused one man actual harm – after he walked into scaffolding because he couldn't tear his eyes away from her amazing sweater-stretchers.

Leeds-born Laura said: "A man actually did walk into a pole! I was

just walking across the street and these two builders were walking along having a look.

"One walked straight into some scaffolding and fell back. It was actually hilarious!"

The 29-year-old scorcher starred in the E4 interactive dating show – which saw six singletons move into a house together as they searched for true love.

A 'FUNERAL' was held by 50 lads for their "lost" mate – because he's all loved up with his new girlfriend.

Keiran Cable, 20, was stunned to be attending his own farewell when he thought he was at the pub to watch rugby.

Reformed "lad's lad" Keiran hadn't been seen out on the town since he started seeing his stunning new girlfriend over the last 18 months.

So his mates got suited up to organise his mock send-off to the "other side" with brunette beauty Jess Ferguson.

### Coffin

It included a blue coffin with initials KC, funeral car, vicar, an order of service and even hymn sheets.

The group of mates all play for his local soccer team Prince FC in Rhondda, South Wales.

Ben Sullivan, one of the funeral organisers, said it felt like his friend had "died" after getting involved with 18-year-old Jess.

He said: "None of us had seen him since then and he wasn't replying

DEAD FUNNY:

to any of our group texts or emails.

"A couple of weeks ago we were all in the pub and we all started saying 'RIP Keiran'."

"So we decided if he wasn't going to come out with us and pretend he was dead, we'd organise a funeral for him."

Friend Shaun Bundy

even made a coffin – just the right size for Keiran to fit in at the service at a pub in Treorchy, Rhondda.

Keiran took the fake funeral in good humour. He said: "I was in complete shock. My cheeks were aching from smiling so much."

"The boys made a massive effort – it was a day to remember."

"I'm sure my girlfriend will be fine about it."

# THIS SUNDAY IN **SUNDAY Sport** FREE 8-PAGE SPECIAL PULLOUT

**Dawn: I love to bonk with the lights on**

STURDY comic Dawn French has confessed she loves to bonk with the lights on.

The *Vicar of Dibley* comedy actress said she has never let her larger figure stop her getting down and dirty and doesn't shy away by shagging in the dark.

And the 58-year-old even said she is happy to have a joke at the expense of her tummy while romping.

Dawn said: "I've never been somebody to have sex with the lights off."

"I don't mind getting my gear off – I never have. And I think, 'Why is this different?' 'All I could think of was that in my family, this was not an issue.'"

Dawn wed charity executive Mark Bignell two years ago after her 26-year marriage to comedian Lenny Henry ended in divorce in 2010.

She also admitted she used to be much more prudish – and revealed she would close the door and lock herself in her bedroom when she wrote racy television sex scenes.

# That's Perry cheeky, Katy!

**GORGEOUS** Katy Perry treated her fans when she suffered a NIP SLIP mid-set.

The singer is known for her boob-baring dresses and was clearly not afraid to risk her pert pair tumbling out on stage during a performance at a charity concert this week.

## Skimpy

All attention should have been on the chart-topper's voice – but it was the busty brunette's cleavage which stole the show after one of her boobs slipped out of the skimpy outfit. The *Dark Horse* hottie seemed completely unaware of her wardrobe malfunction as she continued to dance away.

An onlooker at the event said: "We were quite far back in the

crowd but we still saw the whole thing. She didn't seem to care as she kept dancing with it out for most of the song."

The pop star has just finished her third sell-out arena tour, which saw her perform hits from her fourth studio album *Prism*.

But Katy managed to take time out of her busy schedule to attend the charity show in Puerto Rico and spoke to locals about the arts education programs being offered to youngsters.

This isn't the only nip-slip the 30-year-old has suffered recently, she was also caught flashing the flesh during a presentation she attended on the walk of fame in Hollywood.

Katy popped out as she pressed her palms into concrete to mark the premiere of *The Vladar Company's Jeremy Scott: The People's Designer*.

## I'm Wilde about snogging hot co-star babes

HOLLYWOOD hottie Olivia Wilde says she feels "so lucky" about snogging loads of sexy WOMEN.

And she also hinted that she may have "dipped into the lady pond".

*Tron* star Olivia, 31, revealed she never had a problem locking lips with some of her co-stars – including Mischa Barton on *The O.C.* – because lesbians and bisexual females weren't "represented enough" on TV.

The brunette beauty said: "I have kissed a lot of ladies."

"I've been so lucky, so many wonderful, beautiful actresses."

"I will say, when we were doing *The O.C.*, I really thought we were doing the responsible thing by showing two young, sweet girls in a real relationship – not just having a sorority girl happy make-out."

"I do think that it represented an alternative lifestyle for young women that I don't think had been represented enough in young, soapy drama."

"So Mischa, two thumbs-up!"

## Bunch of hunts kill wrong elk!

HUNTERS in Norway shot dead two elk – before they realised they were firing through a fence into a ZOO.

The group said dogs used to hunt the animals had found their way into the park enclosure and they hadn't realised they were shooting into the Polar Park zoo, near Narvik.

Heinz Strathmann, the zoo's chief executive, said: "I think this is very sad, and it's not OK. We had five elk, now we have only three."

But Arne Nysted, who chairs the wildlife tribunal in Troms County, said there was no need to punish the men.

He added: "This is a regrettable mistake made in connection with lawful hunting on the outside of the park."

"It was a fatal error, but it was not done on purpose."

# JAMIE MAKES £82,000 A DAY!

**JAMIE Oliver paid himself a tasty £30MILLION last year – despite his company reporting losses of almost £13m.**

Book sales, TV shows and licensing deals saw turnover at the celebrity chef's company, Jamie Oliver Holdings, rocket by 21 per cent to £39.7m.

But a number of debts in his other companies saw overall profits plummet.

When accountants included costs, expenses and exceptional items for the year, the company ended up losing £12,818,072.

Despite the losses, Oliver's coffers were bolstered handsomely

By ANN COATES  
news@sundaysport.co.uk

by a number of bumper dividends he received.

This included a £17m cash dividend from Jamie Oliver Limited, which takes care of his book sales.

### Generous

He also received a £10m property from Jamie Oliver Holdings.

And he also awarded himself a dividend of more than £2m from Fresh One Productions Limited, which deals with his TV shows.

His earnings work out at around at £2.5m per

month, £576,000 per week or £82,000 per day.

The 40-year-old Essex boy, who is now worth around £250m, also showed his generous side by donating £311,266 to charity.

While Jamie Oliver Holdings had a tough year, Jamie's Italian Limited, which is separate, reported a more successful 12 months.

Turnover at the restaurant company, which has 38 venues in the UK, soared by seven per cent to £109m.

Profits at Jamie's Italian, of which Oliver owns a 50 per cent share, were £2.6m.

at [www.digitalmagazines.xxx](http://www.digitalmagazines.xxx)

**KINKY** Krystal Webb has dished the dirt on her outrageous sexual antics – including the time she got caught shagging at work.

The busty brunette said she was once rumbled by her boss after he witnessed her bonking a colleague on CCTV.

But that didn't seem to faze the stunning 29-year-old, as the 30GG babe revealed that she is a natural-born exhibitionist who just loves to have all eyes on her.

by JACK MOTTERSHEAD jack@sundaysport.co.uk

And while the top-heavy pin up admitted she is now a lot more careful on where she is as her fun, here she is showing off her incredible body.

The Birmingham-born beauty said: "I used to work in a nightclub where a male colleague and myself liked to get a bit of zgy."

"One day my boss caught us on the CCTV and we had to come clean about our romp.

Still, it was worth it, I loved every second of it."

It's not just guys that Krystal likes to put on a show with though, as she went on to talk all about her kinky porno lesbian experiences as well.

She added: "I love still love to do it with girls. I used to do girl-on-girl films for a porn company – and I would definitely do it again."

"When I worked there, they were my favourite sorts of flicks to do!"

# Smaller boobs get you more SEX!

**Karolina King**  
Age 29, 34D-26-37 from Tottenham

By **SAM WALKER**  
sam@sundaysport.co.uk

**WOMEN with smaller boobs are more likely to bed a guy, a sex poll has revealed.**

Figures show that 25 per cent of men prefer a pert chest, with a bra cup size of C being the favoured handful.

Most men, 33 per cent, said a size B is the "minimum" boob size that turns them on.

But only 23 per cent get sweaty at the thought of bagging themselves a DD cup babe.

Surprisingly, only 26 per cent of guys admitted that, if push came to shove, they would bed a girl with massive JJ baps.

The cleavage survey was carried out by *Misterpoll.com* who asked 2,677 blokes what the ideal boob size is.

## Attractive

A sex expert said: "There is a common myth that men love big boobs, and this is reflected in the augmentation surgery carried out on many women, including glamour models."

"But these figures show that this is just not the case."

Sexy Karolina King, from Tottenham, north London, has 34D boobs and she's getting plenty of interest from fellas.

She said: "I don't think it's anything to do with the size of your boobs."

"It's all down to having a sexy personality."

The poll asked a range of straight men aged between 18 to 50.

And 74 per cent said that they preferred natural boobs of any size, to ones that had been boosted by surgery.

thrill from being surprised by what kinky moves a guy will make on her.  
The 21-year-old stunna said: "My ultimate turn-on is to be ordered to strip naked by a

very powerful, hot man. He then places a blindfold on me. "He kisses me passionately, then there's a pause, leaving me wondering what he's going to do to me. The anticipation is killing me."  
"He tells me I've been a very naughty girl and he's going to punish me. He strokes the end

of something slowly up and down my body."  
"Then bang, he slaps me on my bum hard with a whip!"  
"I wince from the shock, but the pain-pleasure kicks in as he whips me a few times more, getting harder and harder each time."  
"Then he pushes me down on

to a chair and ties my hands behind my back."  
"As I sit there, I wonder what he's going to do next. He teases me by caressing me, then spanking me again."  
"All the time he's telling me what a bad girl I am. Then he bends me over the chair and has his wicked way with me!"

## Hubby's having sex with my lesbo lover

Dear Kyla,

**I'M a 33-year-old woman with a husband AND a really sexy lover.**

The trouble is, that lover of mine is also sleeping with my hubby, who like me thinks sex with her is sensational!

Needless to say, I'm bisexual, which my husband knew about when we married just over two years ago.

During the first year our sex life was great but then it began to go a bit stale. We talked about it like adults and decided it might be worth a try if we both found ourselves a bit on the side each, as it were.

So I set out to find myself something I was suddenly aware I'd been craving for some time – a lesbo lover.

I went to a gay club and was

approached by a blonde with huge breasts.

We got on well and we were soon kissing and cuddling in a dark corner. As we kissed she slid her hand up my skirt and began to finger me through my panties.

Eventually, she whispered that we should go back to her place. Ten minutes later we were in her flat, stark naked on the bed, licking each other's front bottoms out.

### Orgasm

Then she took a dildo from a bedside drawer and slipped it in me for a incredible session that ended with me having one hell of an orgasm.

I then brought her off with my tongue and fingers. Afterwards, we agreed to meet up once a week.

I told my husband all about this and he said it was fine by him. He also confessed that he'd met a nice girl who he was having sex with and went on to describe

what they did together. He revealed that she loved him to shag her doggy-style and that she also liked him to use sex toys on her.

But I was dumbstruck when he showed me a photo of her – it was my blonde lover! I almost told him, but I bit my tongue.

When I saw her two nights later I told her the guy she was f\*\*\*ing was my hubby but she didn't believe me – until I showed her our wedding photo.

Now I don't know what to do because I love them both and they care deeply about each other.

Any advice?

JG, North London

Kyla says...

**I HAVE the perfect advice for you – why not invite this girl round to your place and then you can all enjoy one happy and satisfying threesome!**

**Letter of the day**

## Older woman is just threemendous!

Dear Kyla,

I'M 22, single, and while I don't go short of shags I have always secretly wanted to do it with an older woman.

A few weeks ago I bumped into an old pal and he told me he was shagging a 53-year-old when her husband, a driver, was away.

His boasts made me green with envy – and I told him so. But he surprised me by saying that the woman had a fantasy about being screwed by two young studs at the same time.

He asked me if I'd be up for it and without even thinking about whether I'd fancy the woman or not, I said yes.

The next time her hubby set off on one of his trips we were round at her house in a flash.

My stomach was turning over because I was half expecting her to be a right old boiler, but I couldn't have been more wrong! As the door opened we were greeted by a gorgeous redhead.

My mate kissed her and then, after a hurried conversation she turned to me and said: "Don't I get a kiss from you as well?"

She grabbed my head and gave me a passionate smacker full on the lips. As she did so she fondled my arse and said she liked a neat, tight bum.

Then we all went upstairs and started to undress. She had a surprisingly fit figure and I soon had a huge hard-on.

My mate quickly mounted her and she told me to kneel on the bed next to her head so that she could suck me off as he banged away at her minge. She gobbled me almost to completion as my pal thrust into her.

Then we swapped over and she got on all fours for me to give her a good seeing-to as she noshed my mate.

We had an amazing time as we shagged her in just about every position possible. In fact we stayed with her the whole night and she was insatiable. I would never have believed a woman of 53 could be so sex-mad. She was like a randy teenager!

We have regular threesomes and they just get better. The only problem is that I feel a bit guilty about shagging her while her husband's away earning money to pay the bills.

Is this justified?

DB, Northants

Kyla says...

**OF course it is, but she seems hungry enough for it, so why not.**

Dear Kyla,

I'M dating a really great guy who just happens to be the spitting image of pop star Harry Styles.

He looks just like him, has the same looks and hairstyle – and he's even won a few competitions singing like him at pubs and clubs near where we live.

On top of that, he also has a massive cock (a full nine inches long and very thick when erect).

Better still, he certainly knows how to use it, too! We have fantastic sex at least three times every night and he has shagged me in dozens of positions – including up the bottom, which was superb and not painful at all, as I had imagined it would be.

The other night he was doing me from behind when he suddenly started singing *Story Of My Life* at the top of his voice.

### Licking

I have to say that it was a huge turn-on as I shut my eyes and imagined it was the real Harry who was giving me a serious seeing-to!

Then he switched positions and went down on me and started fingering my vagina and licking my love-bud. Obviously the sound was a bit muffled but when he began crooning *Still The One* at my most intimate bits I felt I'd died and gone to heaven.

After he had brought me off with his tongue I went down on him, sucking and licking his throbbing, glistening penis as he went through a whole repertoire of One Direction numbers.

As he was about to climax, I climbed on top of him and he brought tears to my eyes as he belted out a terrific rendition of *What Makes You Beautiful*. I screamed as I reached an amazing orgasm.

So, though I don't really have a problem, I just felt that I had to write to you to tell you what a gorgeous and caring fella he is and also to tell him in print – in his favourite newspaper – that I'll always love him to bits!

GL, Liverpool

Kyla says...

**YOU lucky girl! One Way Or Another you've really managed to get your hands on the perfect lover. How lucky you are to find such a caring man who is also the double of one of the country's biggest pop idols – and even better to find out that he hasn't just got a got a Little Thing between his legs!**

WE'VE been swamped with requests for 32DD brunette Sylvia Barrie.

The 27-year-old from London has always been a favourite of our readers who just can't seem to get enough of her.

One eager fan, plasterer Michael Thwaites, 29, from Middlesbrough, said: "Sylvia is drop-dead gorgeous. Please can you print a picture of her she's always been a favourite of mine!"

Well, Michael, here is a massive picture for you and countless others who have written in to see the former *Big Brother* starlet.

## JESS WEST

THANKS to Paul Roberts for getting in touch and requesting a picture of dark-haired sexpot Jess West.

Jess, 27 from Rochester hasn't appeared in *Midweek Sport* for some time now.

Paul 39, an electrician from Gravesend, Kent said: "I became Jess's number one fan the moment I saw a picture of her in your amazing publication. It would make my day if you printed a photo of her in all her glory."

We have no problem with that Paul – we love her too!

## KEEGAN

THE lovely Keegan and her amazing 34E melons have enthralled readers for a good few years.

One reader, Aaron Spencer, from Liverpool, echoed the view of the nation. The 46-year-old accountant said that the raven-haired temptress is simply stunning, and he would be over the moon if we could print a snap of the 28-year-old.

He said: "It's been a while since Keegan has graced the pages of the only national newspaper worth its salt. Please could you throw in cheeky picture in this week."

## Jasmine Rouge says...

I HAVE an extremely high sex drive and my fella that says I am always gagging for it – sometimes he just can't keep up with my needs! It's definitely a myth that men want sex more than women, at least in my case. I think that's actually a pretty outdated view – nowadays women can do what they want, whenever they want. I know I do!

## Sharon Pink says...

TO be honest I would never say no to having more sex! But I wouldn't say I am desperate for more, either. If one of you isn't in the mood then it can feel forced. I'd rather have it less often and wait until we are literally ripping each other's clothes off and absolutely desperate for a shag.

### GOOD news, fellas – more than half of all women confessed they're GAGGING for more NOOKIE!

A whopping 53 per cent of ladies surveyed admitted they weren't fully satisfied with their sex lives and want more in their relationship.

A new study has revealed that while 46 per cent of women are satisfied with their sex lives, the majority still want to spend more time between the sheets.

Nearly three-quarters of those polled in the research would ideally like to get it on more than three times a week.

And 13 per cent confessed they'd like to engage in sexual activity more than a whopping SIX times a week.

The survey was carried out by fertility app *Kindara*, who quizzed 500 women who use the app on the truth about common stereotypes involving females and their attitudes towards sex.

Contrary to popular belief, the findings showed that women *do* have high sex drives – and orgasm a lot more than you might think.

### Orgasm

The majority of the participants revealed they regularly reach the Big O, with almost 40 per cent of women saying they orgasm at least once per sex act.

And a lucky 10 per cent boasted they come multiple times each time they do it.

More than half of the women revealed that the most important aspect for good sex is having an emotional connection with their lover.

But 23 per cent said they value foreplay as the most important factor for a satisfying sex encounter.

A source at *Kindara* said: "We've all heard the clichés before... Women are not that interested in sex. Sex causes women to form deep emotional connections with their partner. Compared to men, women have few orgasms".

"Many stereotypes about women and sex are rooted in outdated gender roles.

"But we have learned through our research that while some stereotypes about women and sex were confirmed, others were contradicted by the findings."

**Aria Giovanni**  
**says...**

PERSONALLY I am really satisfied with my sex life, but I do get sex pretty often. And if I'm ever feeling horny but my guy's not in the mood, I have a box of naughty toys that I can use to treat myself. I never fail to make myself come, either!

# Jodie GASSON

By JESS GALLEY [jess@sundaysport.co.uk](mailto:jess@sundaysport.co.uk)

**SEXY Jodie Gasson revealed she reigns supreme in the bedroom – but expects her fellas to be skilled in the gentle art of foreplay.**

The busty model, who's training to be a nurse, said she loves to take charge between the sheets and ride her man on top.

Brighton-born stunna Jodie prefers a fella to be gentle with her and said she likes her lovers to know what they are doing when it comes to getting her in the mood with foreplay.

## Caress

But we don't think Jodie would have any trouble getting a man to do what she wants after taking one look at her 30F sweater-stretchers.

The 26-year-old said: "In the bedroom I reign supreme. I like being on top, I like to be in control."

"When it comes to sex, I like guys to be gentle. More fellas need to learn about the art of foreplay. Be gentle, don't go straight for the kill – give a girl lots of attention and caress her. Don't just go for the boobs and ignore everything else."

Sevilla will struggle against Kompany's boys

# 4/6 CITY MY PICK OF WEEK

## MAN CITY v SEVILLA

★ Man City have not managed to keep a clean sheet in their last seven matches in all competitions.

When Vincent Kompany plays then Man City are a different animal. The Belgian makes them solid at the back but he is also dangerous at set pieces.

He was injured against Juventus and replaced with £28.5million debutant Otamendi. Six minutes later and bang Juventus get the winner and City have been conceding goals ever since.

Is this just a coincidence? Not on your life, Otamendi is nowhere near the player that Kompany is and for all their big money purchases City are heavily reliant on certain key players like Kompany.

The good news is that he is set to return tonight and that will be a huge relief to Pellegrini because if the likes of Bournemouth, Newcastle and Sunderland can breakdown the defence in Europe you'd have to brace yourself for major issues.

Sevilla were soundly beaten last time out at 2-0 at Juventus and to say they disappointed would be a gross understatement.

I expected better from the Europa League champions but on the night they would have struggled to burst a balloon.

If that same side turns up with that mentality I'm confident City can beat them and move within touching distance of qualification out of the group stages.

Do you believe in fairy tales? Jesus Navas spent 10 years at Sevilla so what about City winning and Navas

to score at 5/1. It may be safer to go with the 4/6 for a City win but if you want something bigger look at City to win and Sterling to score at 11/4 now he's found his shooting boots.

## PSG v REAL MADRID

★ The Spanish giants Real Madrid are now eight away games unbeaten in the group stages.

To add weight they've won their last three fixtures against French sides scoring nine goals without conceding. Rafael Benitez looks on course to guide his star student to a major victory against PSG and top group A.

The bookies make PSG the strong favourites but any team that consists of Cristiano Ronaldo stands a better chance of turning over the odds. The Portuguese maestro sits at the top of the scoring charts with five goals already this campaign and you'd be a fool to back against him adding to that tally.

He was in blistering form against Shakhtar bagging a hat-trick and grabbed himself two against Malmo away for good measure.

Real Madrid make massive appeal at 2/1 but if you do want something larger than look at Ronaldo to score and Madrid to win at 3/1.

## LIVERPOOL v RUBIN

★ Jurgen Klopp will be hoping to get Liverpool's Europa League campaign well and truly started.

So far they have been struggling like a kid in a sweet shop with a stutter.

The new German gaffer is not a magician but with this new found optimism sweeping through the club

you have to fancy Liverpool to win this.

Rubin have also changed their coach and Valeri Chaly is now in temporary charge.

He made his name in beach soccer and, let's be brutally honest here, it will be a huge embarrassment for Klopp to get turned over on his Anfield debut by a coach of his calibre.

Rubin sit bottom of the group with just one point to their name and I'm convinced anyone mad enough to make the 2,050-mile trip from Kazan to Liverpool will see their team beaten.

Take Liverpool to win this at 8/15 and if you want something bigger look at the 7/2 Liverpool to win and Coutinho to score.

## TALKING POINT

★ Who was it who said you don't get anywhere without hard work?

Tell that to Bournemouth who covered an incredible 74.88 miles (more than any other team) on the pitch in their 5-1 hammering against Man City. When will Eddie Howe realise the harsh lessons of the Premier League?

Away from home Eddie you have to park the bus mate against these top sides or you get battered.

The players may have covered 74.88 miles during the game but what about the poor Bournemouth fans who travelled over 250 miles to see this mauling.

Here are what the fans think about it...

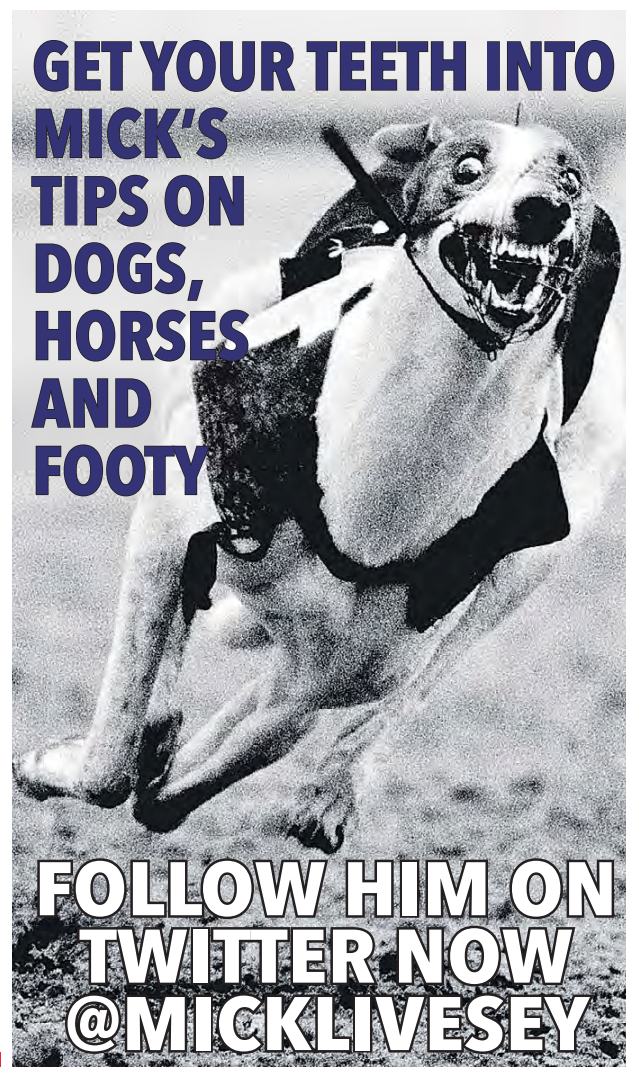

@cfcpundit: #AFCB boss Eddie Howe says his team did not deal very well with their first experience of playing a top-four side on Saturday.

@maccadude67: Monday doesn't feel so good when you've been stuffed 5-1 #afcb

@rednblack68: Oh good Newcastle have started winning. That's gonna help us #afcb

**Followers of the mighty Mick Livesey found themselves toasting this sensational pundit once again at the weekend. He well and truly bashed the bookies and a £10 treble on his selections paid a whopping £146.57!**

**CRICKET: PAKISTAN v ENGLAND STARTS TOMORROW****ADIL ME IN!****England coach tips Rashid for the top**

**ENGLAND'S hunt for a top-class spinner is over, says coach Trevor Bayliss.**

He thinks Adil Rashid is the man to fill the void left by Graeme Swann who retired two years ago. The Yorkshire leg-spinner came close to bagging England an unlikely win in the first Test.

He took five for 64 on the final day of a game that had looked like a draw from the moment the first ball was bowled on day one.

And Bayliss is pinning his hopes on Rashid showing the same form when the second Test kicks off tomorrow.

The pitch won't be much livelier than in the opening game so the leggy will be the main bowling threat carried by the Three Lions.

Amazingly, the last time an English leg-spinner took five wickets in an innings was way back in 1959.

**Spin**

But it won't take 56 years for it to happen again, according to Bayliss, who rates Rashid very highly.

He said: "He showed the ability he has got and the benefits he can bring to English cricket going forward."

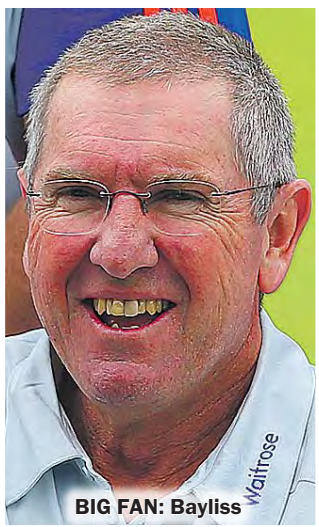

And the coach thinks Rashid could be part of a two-man spin attack as the series goes on.

He added: "To get a leg-spinner in the team – or two spinners – gives the team different options rather than just four pace bowlers all the time and an orthodox bowler. We will try to mix it up."

Bayliss was also full of praise for skipper Alastair Cook, who was on the field for almost all of the five days' play.

He scored a patient 263 and the coach thinks that just underlines the class he has at the top of the order.

The Aussie added: "It was a superb effort of concentration and it's a great lesson for the young batters in the team that if you bat

**BIG FAN:** Bayliss

for a long time, the rewards are there.

"Most of them are stroke players and their development going forward will be about batting longer periods of time. Do that and they've got the shots to score a lot of runs."

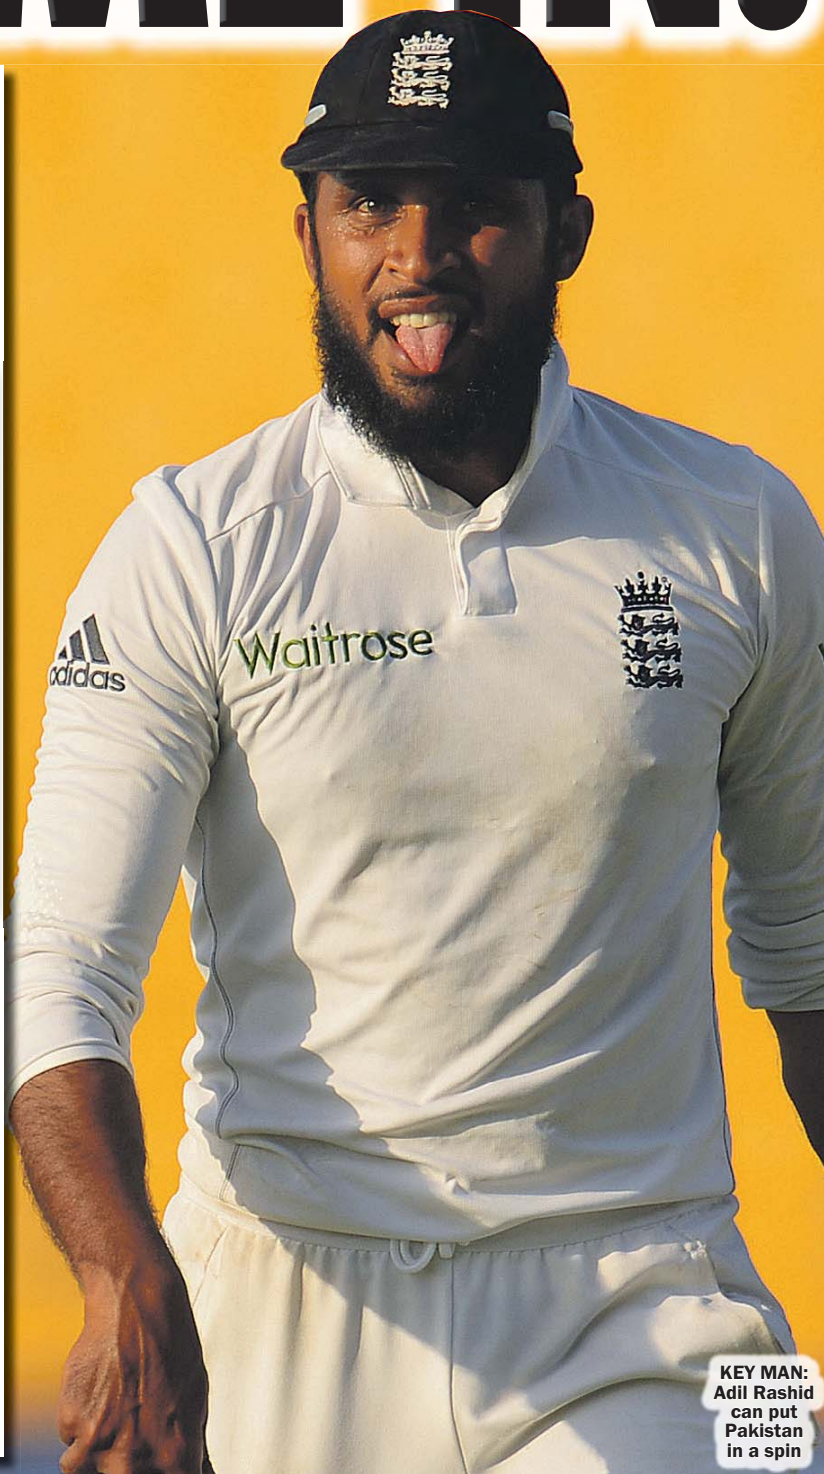

"That first Test certainly gives us belief that we can win Test matches."

"If we can play well in the next match, we give ourselves a good chance."

"Our mentality is that we won't be playing the next two matches trying to draw them, we'll be trying to win them."

Pakistan have added a spinner of their own to the side in Bilal Asif – even though he was reported for a suspect bowling action earlier this month.

He was called during a one-day game against Zimbabwe but he's free to play until the results of testing on his action are completed in the next couple of weeks.

**KEY MAN:** Adil Rashid can put Pakistan in a spin**BACKING:** McIlroy**Big Rush for home boy Mac****GOLF**

**RORY McILROY** says the players are in for a treat when the Open comes to Northern Ireland in 2019.

The Royal and Ancient announced yesterday that the championship will be held at Royal Portrush – the first time the Open has been held at the course since 1951.

The former world No.1 can't wait to play in front of his home crowd.

McIlroy said: "Royal Portrush is one of my favourite golf courses in the world."

"I think it will be a fantastic Open venue."

"They are going to add a couple of new holes to the golf course and I think that will be a great addition and will make the course even stronger."

"I'm really looking forward to it."

**Passion**

Fellow Northern Ireland golf star Darren Clarke is also delighted at the news.

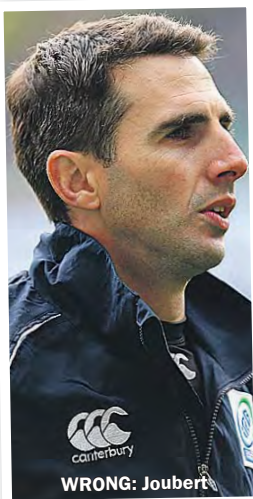

He said: "This is going to be absolutely huge for Northern Ireland and, indeed, Ireland as a whole."

"To have the world's biggest and best golf Championship played at such a fantastic venue as Royal Portrush, with all the passion that the Irish fans will bring to the event, is going to be amazing."

Work has already started on making the course a bit more challenging.

The County Antrim venue will be lengthened by almost 200 yards and there will be more bunkers installed. Two of the holes will be completely changed.

The Open will be staged at Royal Portrush from July 18-21, 2019.

**WRONG:** Joubert**AUSSIES BACK BLUNDER REF**

**SURPRISE, surprise** – Australia coach Michael Cheika has spoken out in support of blunder ref Craig Joubert.

Even the sport's governing body has blasted the South African who cost Scotland their place in the semi-finals.

He blew for a totally **WRONG** penalty for the Aussies in the last minute that Bernard Foley kicked to clinch a 35-34 win.

Cheika thinks World Rugby has been harsh on Joubert by bollocking him in public.

He said: "I genuinely feel for Craig Joubert. It's so unfair."

"No other referee has had this stuff put out there like that and he's a very good referee. I would

**RUGBY WORLD CUP**

have liked my mates to back me up a little more on the odd occasion, if you know what I mean."

I feel for him. We talk about having the right principles in the game and all of that.

"Genuinely I have never seen that before. I am not sure why that decision had to be publicly reviewed and put out there."

"I really hope his fellow referees stand by him because the fact I'm not allowed to say much about it says it all."

Cheika also called on the Scots to stop their whining about the penalty. He added: "Once the

game is done and dusted, I'm as good as gold with anyone. When the game's on and in the white lines, everyone goes hard."

"And afterwards, as passionate as everyone is on the field, off the field there's no drama because it's a game."

"Unfortunately in this instance, people have taken the game off the field and gotten quite personal about it."

"Supposedly, these are big people in the game who are earning their living through commentary and stuff like that."

World Rugby have clarified that the ref should have given just a scrum to the Aussies for a knock-on, rather than a match-

winning penalty. But Cheika thinks the sport's governors have gone too far and there was no need to say anything in public.

He is worried that it will make referees terrified of making an honest mistake.

He added: "It is a bit surprising because no other decision in the tournament has been reviewed."

"I felt we should have had a couple of scrum penalties before. I don't know if they are reviewing those. If they are then we'll make a list."

"I don't know if Samoa are making a list about the little knock-on before Scotland scored at the end, or how many more we are going to send in."

**MAN City cannot afford another Champions League slip up when Europa League champions Sevilla visit the Etihad tonight.**

Both sides have three points in the group and trail last season's runners up Juventus, who won in the north-west.

City must do without David Silva and Sergio Aguero but the Spanish side also have their injury concerns and it is hard to see past a home win even without, arguably, their two most influential players.

Manuel Pellegrini's men are 4/6 at BetVictor to pick up all three points with the visitors 21/5 and the draw at 33/10.

During his City career, Jesus Navas at best has flattered to deceive. On other occasions I have ventured that he can only get a place in the City starting XI due to having photos of the boss with farmyard animals!

He plays against his former club this evening and is one of the most overrated players on the planet. City have had almost twice the attempts on goal

## BUT NAVAS' CITY STILL TOO GOOD

as Sevilla in the first two games but City can't afford to just go gung-ho against a side who beat Barcelona earlier in the month.

Pellegrini's side haven't kept a clean sheet in their last seven in all competitions and I wonder if he knows his best back four?

City should win but what of neighbours United? The Red Devils were excellent against a subdued Everton last weekend and perhaps it was just a coincidence that it was a United side minus Dutch internationals Daley Blind and Memphis Depay.

United travel to Moscow and a CSKA side who took four points off City in the Champions League last season but whose international goalkeeper Igor Akinfeev has not kept a clean sheet in his last 33 CL games going back to November 2006!

I have always liked Chris Smalling and Phil Jones as a central defensive pairing and if the latter can avoid injury and clumsy challenges he has the potential to make up into a top-class centre back. United are 8/5 to win with the hosts 19/10 and the draw 12/5.

We have an enhanced Manchester double for this evening at BetVictor with City and United 7/2 to win their respective CL ties.

★ There is a decent card at Newmarket today with seven of the eight contests restricted to juveniles.

Some beautifully bred newcomers and the market will be more informative than usual.

In the 1m1f nursery I think NICE FUTURE could have been let in lightly for his handicap debut. He scrambled home at Epsom to land a weak maiden last

time, but he was all at sea on the undulations and if you go back to his Newbury debut he looks very well treated.

I'm looking forward to seeing the chase debut of CALIPTO (3.00) at Fontwell in a race champion trainer Paul Nicholls has saddled the winner of for the last couple of years.

The selection has always had the look of a better chaser than hurdler and it will be disappointing if he doesn't make a winning debut over the larger obstacles.

I'm also sweet on the chances of FERGAL MAEL DUIN (4.10) who ran a cracker on his seasonal re-appearance and chase debut at Plumpton last October and has bits of form over timber and fences to suggest he could be very well treated off his current mark.

### Blackburn Rovers v Derby County

Wednesday, 7.45pm kick-off

## Rovers have Steele to outmuscle Rams

BLACKBURN keeper Jason Steele says Rovers will bounce back against Derby after copping a 3-0 beating from MK Dons at the weekend.

The Rams' fortunes have taken a turn for the better and they brushed aside Wolves 4-2 last time.

But the Rovers goalie (Inset) is full of confidence ahead of the Ewood Park clash.

He said: "Before the international break we were flying and we felt we could beat anybody."

"That's still the case and we've got to make sure we perform on Wednesday."

"They're a top side but it's a perfect game for us to bounce back in."

"It'll be a great test for us but we're more than capable of winning the game."

Steele thinks the international break came at a bad time given that Rovers were on an unbeaten run going into it. But he thinks having a man sent off against the Dons caused more problems.

He added: "Perhaps you could say that because we were in good form and we were playing really well. But I think we would have done the same on Saturday. Every one of us thinks if we had 11 men it's a different game."

## NEW LEEDS BOSS GOES FOR SONG

NEW Leeds boss Steve Evans says the United fans have already started chanting his name.

He takes from over sacked Uwe Rosler and is straight in at the deep end with a trip to Craven Cottage.

He only parted company himself with Rotherham a couple of weeks ago — but he's raring to go at Elland Road.

Evans said: "I walked through the city last night and Leeds fans came up to me and shook my hand and chanted my name."

But he's warned eccentric owner Massimo Cellino — who has been banned from being chairman

by the Football League — that HE will be picking the team. And there's no doubt that Evans won't give his all to the cause.

The Scot added: "It's a massive club and

I'm not an ex-Premier League manager who can sit here and say it means nothing to me."

"There are some big clubs in the Championship but there's only one biggest."

"My message to the supporters is, give me an opportunity and I will deliver."

### Wolverhampton v Brentford

Wednesday, 7.45pm kick-off

## Kenny needs an Ed case to help Wolves

WOLVES are sweating on the fitness of David Edwards before the Bees come buzzing to Molineux.

The midfielder (inset) sat out Sunday's home defeat against Derby with a groin problem. But boss Kenny Jackett would like to have him back in action.

He said: "He has a groin injury, he'll be back at some stage this week."

"We'll leave that as late as we possibly can, maybe a Wednesday morning fitness test."

Jackett is short of numbers up front and is hoping to bring in a striker before the loan window closes at the end of the month.

He added: "We're no closer to bringing anyone in ahead of Wednesday's game."

"We've only got two recognised strikers, with young Bright coming on as the third one."

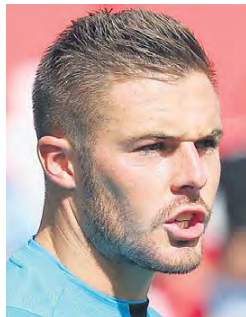

"Rajiv van La Parra has played up there sometimes as well, so that's where our squad is. Yes, we are always looking. If we can improve any position we'll do that."

BRUISING: Jack Butland

## Swans in bother over replay of Jack attack

SWANSEA are facing a major fine for replaying a heavy tackle by Stoke goalie Jack Butland on their big screen.

The keeper went in studs up on Andre Ayew, but the referee let him off.

The incident was shown THREE times on the big screen at the Liberty Stadium, causing uproar among the home faithful.

That was clearly against the Premier League rule that states: "The screen shall not be used to show action replays of any incident which brings into question the judgement of a match official."

Stoke boss Mark Hughes isn't too happy about it either.

The Potters won the match 1-0 but he could have done without the spotlight being thrown onto his keeper.

Sparky said: "I didn't appreciate the incident being shown."

"I thought that was unnecessary."

"I wouldn't like to think it was deliberate, because when those situations happen it causes a reaction in the crowd and we had to deal with that."

## Ars and Jose up for a gong

ARSENE WENGER and Jose Mourinho are both in the running for the 2015 FIFA World Coach of the Year.

They are the only Premier League bosses on the list, which is headed by Barcelona chief Luis Enrique and Bayern Munich's Pep Guardiola.

Mourinho has already won the gong once, back in 2010, and won his place on the list by taking another Premier League title with Chelsea last season.

Wenger is a slightly more surprising name on the list given that he's won only a couple of FA Cups in the past decade.

The Arsenal gaffer has never won the prize.

Enrique is the favourite with the bookies on the back of an incredible season.

He won La Liga, the Champions League, and the Copa del Rey.

STURR CRAZY: Klopp (inset) is keen to get Sturridge back in a red shirt

# Desperate Dan

## KLOPP CAN'T WAIT TO SEE STURRIDGE IN ACTION

**DANIEL STURRIDGE** looks set for a surprise start against Rubin Kazan in the Europa League tomorrow night.

The injury-prone striker didn't even make the 18-man squad for Jurgen Klopp's first game against Spurs on Saturday.

The England man picked up a knee knock in training and it was too risky to even have him on the bench.

Most managers wouldn't dream of rushing their star man back to play in Europe's

By PAUL THOMAS

Mickey Mouse Cup — but that's not Klopp's style.

He wants Sturridge to strut his stuff against the Russians in a game the Kop needs to win after draws in their opening two matches.

It was obvious from the Spurs clash that stand-in Divock Origi is far from a high-class performer.

With the promising Danny Ings out for the season, Sturridge is more important than ever.

So Liverpool fans will be

worried in case their top striker picks up yet another injury.

That's not on Klopp's mind though.

He said: "I have known Daniel now for one week, and for six days he was perfect in training."

"Everything we did he was full of power, skills. He was outstanding."

"We need Daniel for sure and on Thursday maybe he will play. No problem."

"I trust 100 per cent this player. If Daniel is back then he can play no problem."

"If he is not then I don't

think about it because if the medics and physiotherapists tell me it is not possible, then it is not possible."

"I don't have to discuss it, just think about another solution."

### Enthusiastic

At the other end of the pitch, goalie Simon Mignolet has been given a lift by Klopp's arrival.

The Belgian stopper divides opinion among the Anfield faithful, but he was in great form against Spurs.

And he says the whole

club has been lifted by the German's enthusiasm.

Mignolet said: "As you can see he is very enthusiastic and very ambitious."

"On the line you can see that and it rubs off on us all."

"He is very positive and he wants everyone to go full blast, like he is as well."

"And that is good because it goes on to the young players and they can thrive on that."

"Every manager has his own style and tactics. He speaks with everybody and what is good is he gives people confidence."

# MOUSA WANTS MAUR STARTS

**MOUSA DEMBELE** is hoping his good display against Liverpool at the weekend has earned him a run in the team.

The midfielder has been edged out by Eric Dier for most of this season, but took advantage of the England man's suspension to shine against the Reds.

Now Dembele (left) is hopeful to add to his 100 starts for Spurs with the news that Nacer Chadli is out for up to six weeks due to an ankle injury.

The trip to his native Belgium for the Anderlecht clash gives him another chance to cement his place in the team.

Dembele said: "It is quite hard

Anderlecht v Tottenham

Thursday, 6pm, live on BT Sport Europe

to hold down a place at Tottenham.

"It is something that we need to discuss but I will try to impress the manager wherever he plays me."

"It is something between me and the gaffer that we need to sort out."

"Against Liverpool, there was a lot of space for me because they try to attack."

"But against teams that sit back, I could be best from the right as I can make a difference."

My best position depends on our tactics and the opposition.

"Last season, there were also a lot of players in each position and you have to have this if you want to compete with the top teams."

### Aggressive

Dembele thinks Tottenham boss Mauricio Pochettino has found his feet at White Hart Lane this season — with the results being shown out on the field.

The Londoners haven't lost since the opening day of the season.

They sit seventh in the table, but have definite claims on a

Champions League slot on current form.

Dembele added: "The first season was about adaptation to what the manager wants."

"There were a few changes made to the team as well."

"Now we are a bit more 'men' out on the field than we were last year. You can see how we press and we are more aggressive."

"Now we understand the manager's style and the way he wants to play."

"We didn't play that badly last season but, of course, we want to win things, so we need to grow. You can see the way we play is positive."

LOANEE: Joe Cole

## Villan Cole has been sent to Coventry

ASTON VILLA midfielder Joe Cole has signed for Coventry on a 35-day emergency loan.

The 33-year-old has dropped down to League One level and is eligible to play from next week.

He's played just once for Villa this season, as a late sub in the Capital One cup.

Coventry boss Tony Mowbray is happy to welcome the former England international.

He said: "I'm delighted to welcome such a high-calibre player to the club."

"Joe has a great pedigree, both on the domestic and international stage."

"I'm sure he'll have a fantastic impact during his time at the club over the next few weeks."

"He's a player who will give us another option in the forward areas and I'm sure the squad are looking forward to working with him."

"We've got plenty of games coming up which will be crucial to us maintaining our early-season form and I'm looking forward to seeing Joe in action for the Sky Blues."

## Mac's told to keep McClean

WEST BROM firebrand James McClean has been warned by the FA after he almost started a riot at the weekend.

He ran the length of the pitch to wind up the Sunderland fans on Saturday after the Baggies had beaten his former club.

As well as uproar in the stands, his action sparked a barney on the pitch as players from both sides got involved.

The 26-year-old Irish international has also told the Baggies that he won't wear a poppy on his shirt next month.

McClean said: "We are coming up to Remembrance Day and I won't wear a poppy on my shirt when those games come around."

"People say that by not wearing a poppy, I'm being disrespectful, but they don't ask why it is that I choose not to wear it."

STEADY REDS: Van Gaal is set to start the same team in Moscow

## Lou's in no Russ to change a winning XI

By MARK NAYLOR

LOUIS VAN GAAL says he'll stick with a winning team in Moscow.

United put in their best performance of the season when beating Everton 3-0 at Goodison Park on Saturday.

That kept them in third place in the Premier League, hot on the heels of noisy neighbours Man City.

The pair clash in the derby at the weekend, but there's the little matter of a Champions League trip to Russia tonight first.

And despite the game against City looming large, there won't be wholesale changes for the CSKA showdown.

Speaking at United's final training session ahead of the Moscow game, Van Gaal said: "I am not stupid."

"I won't change too much on Wednesday."

United could do with three points in Russia as they sit in second place in their group.

The only major missing face from training was Ashley Young, with youngsters Paddy McNair and James Wilson also sitting it out.

Van Gaal added: "It's the same amount of injuries so Luke Shaw, Paddy McNair and Ashley Young are not going with us."

"Willo was a little bit ill – Wilson as he is named but, for us, it is Willo – so he shall not travel with us."

"I'll take 20 players with me. It's a four-hour flight so, if a player gets ill, I have the other player in my environment."

There should also be a return to the squad for goalkeeper Sergio Romero and Antonio Valencia.

They missed the Everton game

after flying back late from South America.

LVG added: "They have to cope with the jet-lag so I didn't think it was wise to take them with us against Everton."

One player who will be happy to hear the manager's words is Ander Herrera (below), who made a big impact at Goodison on his return to the side.

He was pushed into an advanced position and it paid off as he scored one goal and made another for Wayne Rooney – the skipper's first away strike for 11 months.

It was the Spaniard's first league start in more than a month and that delighted many of the United faithful who had been calling for him to return.

Herrera's big pal Juan Mata was also pleased to see him back in the line-up.

He said: "I'm really happy to see my friend Ander Herrera back on the pitch. "Contributing his class and his ability to score goals."

Mata was impressed with the team's effort at Goodison, a ground where United have struggled in recent seasons.

The playmaker added: "I think we played a very complete game and, especially, we had a much better start here than against Arsenal in our last Premier League game, because we controlled the ball and played mainly on Everton's half of the pitch."

"I think the score reflects the good work the team did."

"We managed to take our chances despite Everton's strong start and pressing."

# BAN MEANS PLATINI CAN'T RUN

By ANDY MILLOM

MICHEL PLATINI has been told he CAN'T stand for FIFA president while he's banned from all football-related activity.

The UEFA president has already put his application in to be the man who replaces Sepp Blatter at the top of world football.

But the Frenchman is serving a 90-day provisional ban alongside old Sepp-tic.

They were sanctioned a fortnight ago in connection with a £1.35million payment that Platini (left) received from Blatter in 2011.

That was for consultancy work

carried out nine years earlier and for which there seems to be no written contract.

Now FIFA have poured cold water on Platini standing in the elections if his ban still stands in February when they take place.

That could happen as there is a possibility of it being extended past the original three months while investigations are completed.

A FIFA statement said: "Domenico Scala, in his capacity as chairman of the FIFA Ad-hoc Electoral Committee, provided

information to the Executive Committee regarding the ongoing process for the FIFA presidential election.

### Suspension

"He explained that candidacies for the FIFA Presidency that are submitted in due time and form, but which relate to candidates who are subject to a ban from taking part in any football-related activity, will not be processed by the Ad-hoc Electoral Committee as long as such ban is valid and in force."

Platini maintains that he has done nothing wrong and is

appealing against the suspension and that hearing should be carried out in the next few weeks.

Being released from it means he could re-enter the race, although he has already lost the support of the English FA.

FIFA have also confirmed that there will be no delay to the election for a new chief, as had been suggested when the two big figures were suspended.

The executive committee of football's governing body held an emergency meeting in Zurich yesterday, which agreed to press on with the existing timetable.

**BACK TO THE FUTURE:**  
Allardyce pins Black  
Cats' hopes of staying  
up firmly on the defence

## Big Sam needs Sun to shine from his rear

SAM ALLARDYCE says it's down to his defence to keep Sunderland in the Premier League.

The new Black Cats boss saw his side go down 1-0 against West Brom on Saturday. They were set for a point until keeper Costel Pantilimon dropped a clanger that let the Baggies score.

But Big Sam was happy with what he saw for the most part at The Hawthorns.

"It was really pleasing to see how compact and solid we were away from home.

"I know West Brom found it exceedingly difficult to break us down.

"A team who had conceded 18 goals in eight games never looked like conceding a goal at West Brom.

"That's the foundation we have to build to get out of the position we are in.

### Confidence

"Those foundations have to come from being solid defensively.

"If we can continue in that mould, then we'll get better in building confidence and then hopefully, pick up a few wins.

"It would have been a very precious point for us, and I have no blame towards the defeat.

"But obviously there's a lot of room for improvement."

Allardyce has the chance to become a hero on Wearside at the weekend when the Black Cats take on their

By ANDY MILLOM

deadliest of rivals – Newcastle.

The Toon broke their duck for the season hammering Norwich 6-2 so head into the derby full of confidence.

Sunderland have won the last five meetings and Newcastle manager Steve McClaren thinks his side will be the underdogs.

He said: "Football is all about momentum and we have to take it forward.

"It's a tough one next. Sunderland have won the last five derbies, they are the favourites and are at home.

"It's a hoodoo and we have just got to break it.

"It will be a tough game. We have to prepare like we have every week.

"We had good focus last week and we must take that into the game."

# WIN KOMS IN HANDY FOR PELLI

## City better at the back with skipper beefing up defence

**VINCENT KOMPANY is back to lead Man City into their must-win game against Sevilla.**

The skipper has been a big miss in key games recently.

He was absent in Germany last time when City scraped past a modest Borussia Monchengladbach team 2-1 thanks to a late penalty from Sergio Aguero.

But after losing their first game in the group at home to Juventus, the Blues cannot afford to slip up against Sevilla.

Defeat could see them six points behind Juve and trailing the Spaniards at the halfway stage in the group, with two tricky away games to come.

After failing to make an impact on the Champions

By MARK NAYLOR

League since taking over, manager Manuel Pellegrini cannot afford anything but three points tonight.

So he looked relieved to say: "Kompany is fit to play against Sevilla and so is Aleksandar Kolarov."

And Pellegrini has a simple message for his players going into the third game of the group.

He said: "We have to improve our home form in the Champions League. We have the opportunity to do that here."

The City boss spent nine years managing in Spain so knows what to expect, although he's surprised that Sevilla have made such a poor start to the season.

They currently sit in 13th

place and have won just two out of eight league games.

Mind you, they did beat Barcelona 2-1 earlier this month so won't be any pushovers.

Pellegrini added: "I don't think it's the start that anyone expected from Sevilla. But every team has some moments when they are not as strong."

### Nominated

"It is an important game for me because of everything I lived through when I was managing in Spain.

"But all I am concerned about is getting three points in the Champions League."

Pellegrini confirms that Aguero will be out for another month, which is longer than originally thought when he first picked

up his leg injury playing in World Cup qualifying for Argentina.

He joins David Silva, Fabian Delph and Gael Clichy on the sidelines.

Those three are much closer to playing and the boss may have them in contention for the Manchester derby.

There is some good news for Aguero with his Ballon D'Or nomination.

Pellegrini thinks that will give his star striker a lift as he battles back to full fitness.

He insisted: "It's not surprising that Sergio has been nominated for the Ballon d'Or.

"It is a surprise he has won nothing here in the past.

"Kun has been nominated because he has been working well and performing well.

"He will be a loss for us

ISSUES: Sterling

## Sterling couldn't Liv with Bren as his boss

**RAHEEM STERLING** would still be a Liverpool player now if it wasn't for Brendan Rodgers.

And he says it would have been "a dream come true" to work with new Reds manager Jurgen Klopp.

The winger's agent says he only left Anfield because of a massive falling out with the former Kop boss.

Aidy Ward became a hate figure on Merseyside for the way he agitated for his player to sign for Manchester City.

That happened in the summer, with Liverpool pocketing £49million for the 20-year-old.

Ward said: "I have no issue with anyone but Rodgers."

### Clause

"He had a massive job with massive funds. How did he do?"

"Good coach, but as a manager I didn't like certain things about how he dealt with Raheem while he was there."

"Fifty per cent of the players would probably tell you Brendan is not a good manager, but he is a good coach."

"Raheem could've stayed, he should be at Liverpool."

"I think for me it was like he was being told to be a good boy and sign a contract."

"In December I spoke to Liverpool and said we'll sign a contract if there is a buy-out clause — those clauses are now common practice. They said no to that."

"Then there were remarks. In press conferences, Brendan told everyone Raheem would sign — why do that?"

### Passionate

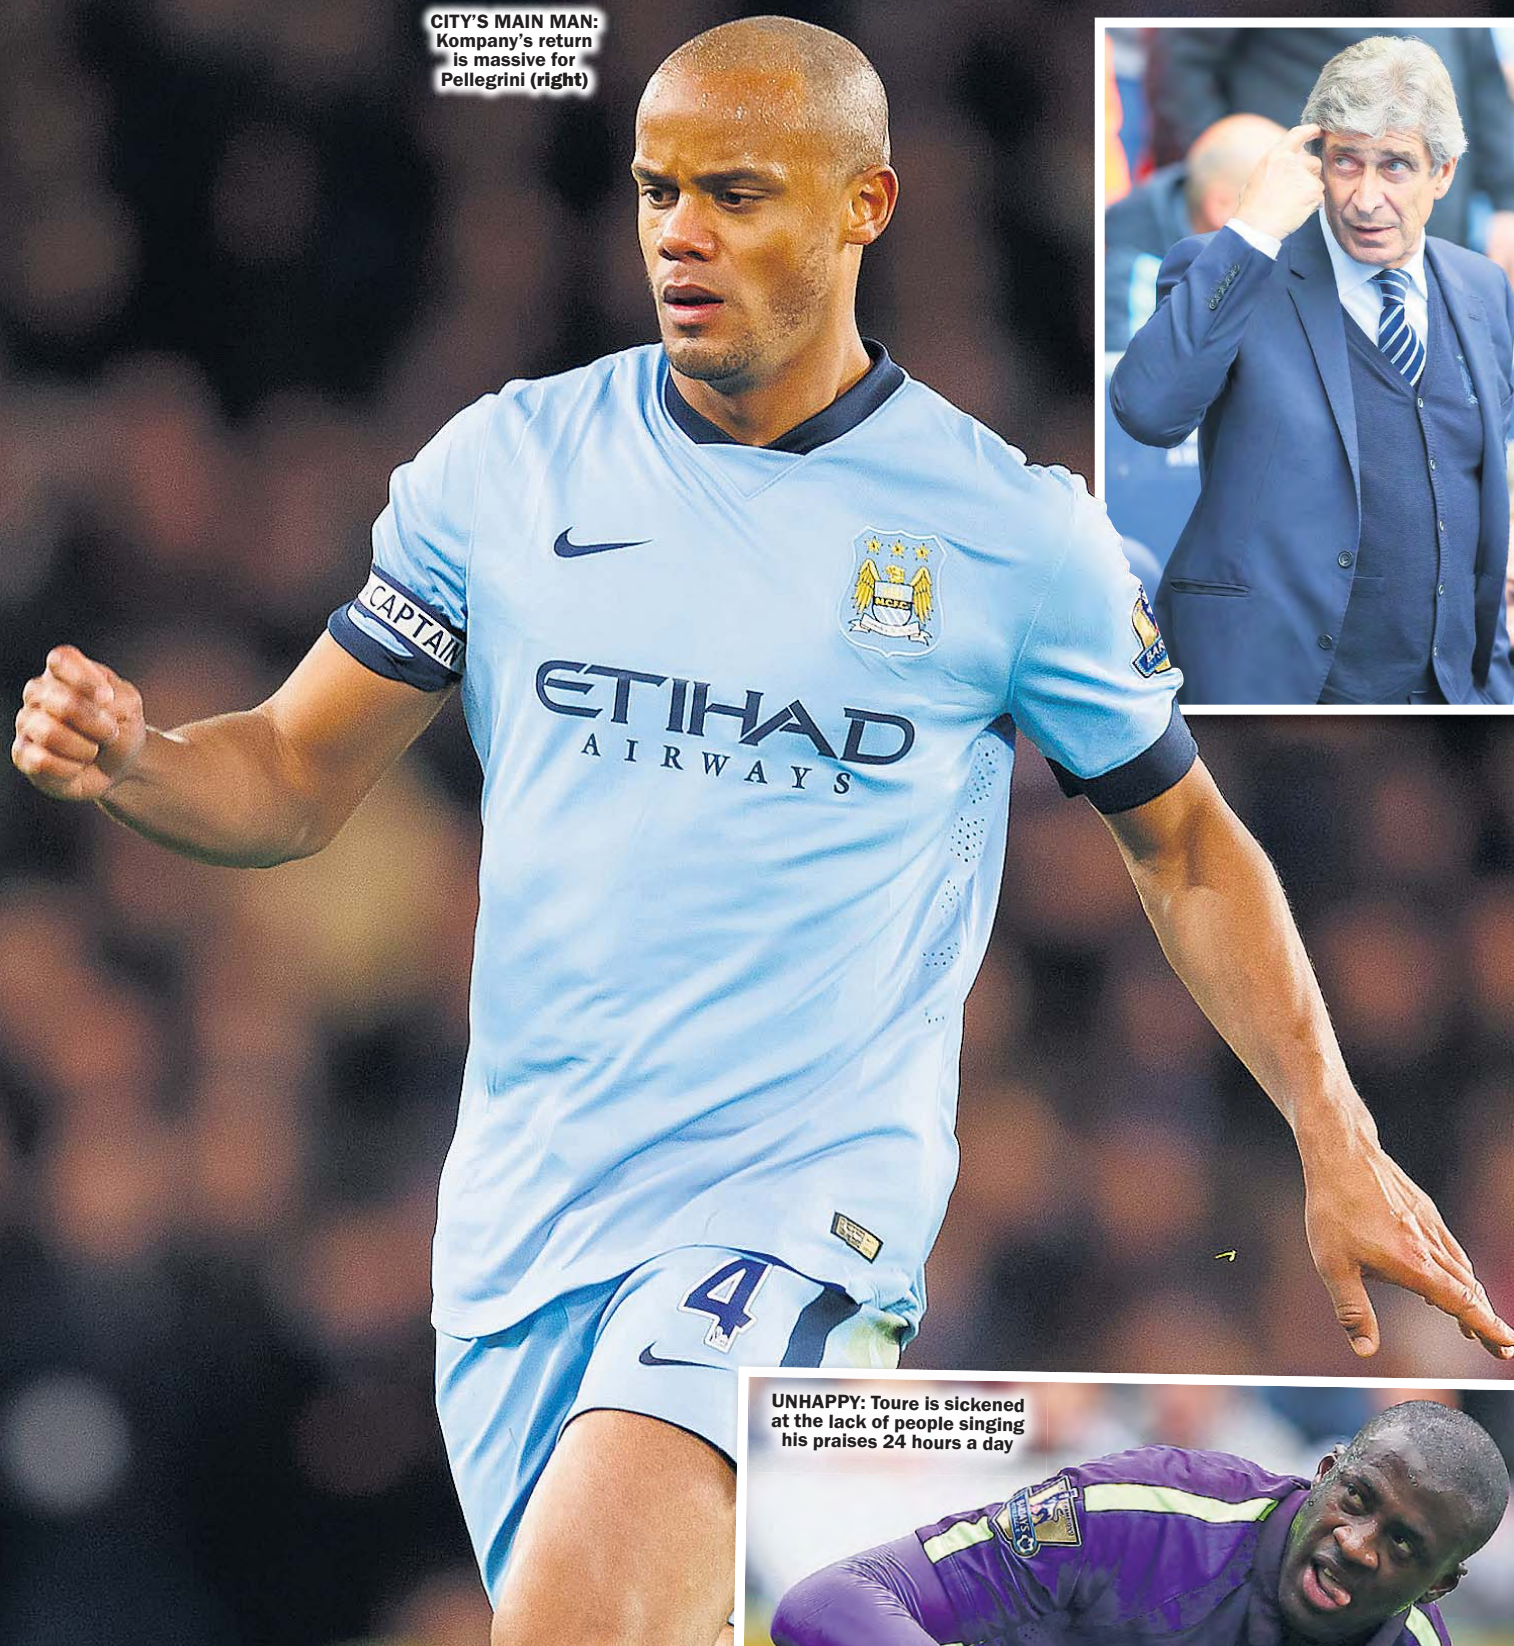

"I knew, Brendan knew and Liverpool knew there was an issue."

"Right now he probably should be a Liverpool player, but he's not and he's in a great place at City."

Ward thinks Klopp would have got a lot more out of Sterling than Rodgers ever did.

He added: "The new Liverpool manager probably would have been a great fit for Raheem — passionate, disciplined in the right way, new ideas, not afraid of trying new things. He'll do great at Liverpool."

"He's going to get the best out of those players. It could have been a dream come true."

**UNHAPPY:** Toure is sickened at the lack of people singing his praises 24 hours a day

against Sevilla but we have a strong enough squad.

"The loss of Aguero is important, but I am not in the business of making excuses when players are missing."

It looks as though Wilfried Bony will keep his place up front until the Argentinian is fit again.

### Dungeon

And Pellegrini is happy that the former Swansea man has enough quality to get the goals his side needs.

The boss added: "I think Bony has no problem playing with or without Aguero."

"Sergio doesn't have to be missing for Bony to play — he is an important member of the squad himself."

And the Chilean has also laughed off any suggestion that Yaya Toure is unhappy at

the Etihad and is looking for a move back to Europe.

The Ivorian is the only African player shortlisted for the Ballon D'Or and thinks he should be a bigger star in the Premier League.

Toure said: "I scored 26 goals, 20 in the Premier League, and nobody mentioned it. You understand a bit my disgust."

"In England, when it is bad they stress it, but when it's good, they leave that in the dungeon."

"They have always used their little methods to annoy and alienate me."

"It is recognition that I do not have that hurts me. It is a bit sickening."

"It has hurt me. Everyone thinks I am happy — I have won titles, lots of money, but, no, I am not happy."

Mates and vultures

ONLY THE  
LONELY: Poor  
Jose just can't  
make friends

By PAUL THOMAS

### JOSE Mourinho has gone from the Special One to the Lonely One.

The Chelsea boss says he feels all alone and that he lives "in another world".

He's got no mates in football and says that other managers are like "vultures" who want to steal his job.

The Blues manager has come in for the worst stick of his career after the Champions' stuttering start to the season.

And he is aware of the "vultures" circling.

Mourinho said: "In football there is a culture.

"I'm not sure of the right word in English – but I think it is 'culture'.

"The culture of the vulture. When they feel something can happen, they start coming around.

"It's something I never did. When I was without a job for six, seven months in 2007, I always behave the way ethics tell me to behave.

"I didn't go to football,

FEUD: Jose and Wenger don't see eye to eye

didn't comment on football, didn't fly over stadiums where they were having difficult results.

"I was quiet. I was waiting. Now there is the culture of the vulture."

Mourinho says he can sense a difference in his second spell in England with the level pressure being poured on by pundits.

He added: "I know the culture now, even in England.

Before it was not the culture in this country, but, especially the pundits.

"They have a new job, which has become a very important job, it's changed the culture a lot.

"Some of them are really brave.

"To criticise someone with my history, you need to be brave, as there is a risk someone like myself will say: 'Shut-up. You've won nothing

in your life.' But I won't do that. I just work and hope that the good results are coming.

"Stability for the manager, in general, it's gone. It's gone for everyone, except a couple of 'special ones'."

That last comment was yet another dig at rival Arsene Wenger, as he kept his feud bubbling with the Arsenal chief.

Given the way he carries on with other managers, it's hardly a shock that he doesn't have mates in the game.

Mourinho admitted: "I'm not a PR, I don't care what people think about me.

"I'm just what I am. When I am in a great moment it looks like nothing's happened. When I am in a bad moment, I pay for this a little bit. I don't have many friends in the football world."
